

## City Council Car Allowance - 2020

### ISSUE

Council Policy C01-023, City Councillors' Travel and Training allocates a car allowance for City Councillors to conduct City business. As a result, this report provides a summary of 2020 car allowance expenses for City Councillors. It also provides a summary of the Mayor's car allowance expenses for 2020.

- 2) forward this report to City Council for information, in accordance with Council Policy No. C01-023, *City Councillors' Travel and Training*.

### BACKGROUND

At its meeting of June 13, 2005, City Council resolved in part that, effective July 1, 2005, Councillors be reimbursed for use of their personal vehicle for City business, based on a per kilometre reimbursement equal to the automobile allowance rates set by the Canada Revenue Agency for tax-exempt allowances for the use of personal vehicles.

Further, its meeting held on January 29, 2018, City Council resolved that in accordance with City Council's commitment to transparency, the annual posting of car allowance expenditures and travel training expenditures for members of City Council to the City's website for 2017 and going forward be to the same level of detail as currently provided for City Council's Communications and Constituency Relations Allowance. Both the following summaries and detailed car allowance claim forms will be posted on the website accordingly.
