Parks, Sport Fields & Attractions

The City's rental options extend far beyond the walls of our Leisure Centres and include everything from park space to waterfront amphitheatres to golf courses and soccer pitches. No matter the occasion, event planning is a breeze with the City of Saskatoon.

Park and River Landing Event Space

Contact the Allocations Office at 306.975.2951 or allocations@saskatoon.ca to book a special event.

Picture perfect weddings, lively team building events and festive summer festivals are just some of the events that take place at our outdoor sites. Park and River Landing event space is available free of charge for event use; however, events do not have exclusive use of the space. Events, especially smaller occasions, often end up sharing event space with the general public.

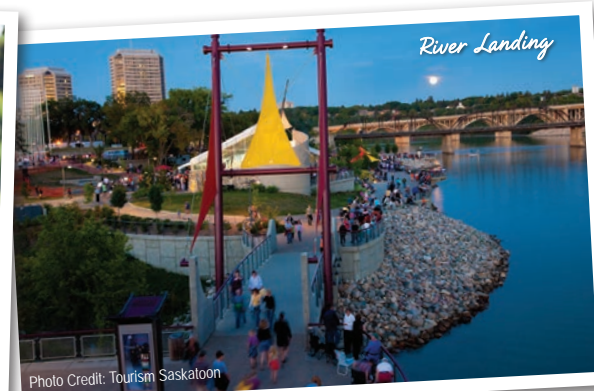

There are also many scenic venues available to book at River Landing including an amphitheatre, belvederes and a fire vessel (there is a charge to book the fire vessel). You may not fence off park space or River Landing in a manner that blocks access to the Meewasin Valley Authority (MVA) trail or that prohibits access through the site.

- Rotary Park (south of the Broadway Bridge along Saskatchewan Crescent)
- Victoria Park (south of the Senator Sid Buckwold Bridge along Spadina Crescent)

Clarence Downey Speed Skating Oval

Dudley Street & Avenue R South
(in Gordon Howe Complex)

You do not need speed skates to enjoy skating the 400 m oval. There are different lanes for different speeds, and lots of room for every level of skater. A modern warm-up building lets you lace up your skates in comfort. There is also a vending machine, change rooms and public washrooms.

Private Rentals

The Oval is available for private group rentals Monday to Thursday after 8:00 p.m., all day Friday, and after 6:00 p.m. on Saturday & Sunday. Bookings must be for a minimum of three hours.

The Oval common area provides change rooms, washrooms, and warm-up area. Seating capacity is 125. Chairs and 10 tables are available as well as a sound system (groups must provide own music). Renters are responsible for cleanup, set up, and general care of the facility (a damage waiver form is part of the rental contract).

Use of the kitchen can be arranged through the Saskatoon Lions Speed Skating Club; call 306.244.6393. If function includes liquor, a licence is required through Provincial Regulations. Insurance and/or security charges may apply for events open to the public.
