Loop at McOrmond Drive and College Drive interchange briefly closing

As work continues on the McOrmond Drive and College Drive interchange, crews will be closing the loop that allows eastbound traffic on College Drive to go northbound on McOrmond Drive for a few days. The loop will be closed from Saturday, May 4 until mid-afternoon Monday, May 6.

To go northbound onto McOrmond Drive, drivers will continue east onto the exit ramp and turn left at the stop sign on top of the interchange.

Work on the McOrmond Drive and College Drive interchange and the new interchange at Boychuk Drive and Highway 16 will be complete this summer.
