

tell us your NAME

Everyone is encouraged to suggest names for addition to the Names Master List. The Names Master List is a list of all previously screened and approved name suggestions for future naming or re-naming of streets, parks and other civic properties.

New names are frequently submitted for consideration by developers, the City of Saskatoon Land Branch, other civic departments and the general public. In an effort to ensure that names are suitably assigned, the City of Saskatoon has adopted a policy for evaluating and selecting names.

All name submissions will follow the same selection procedure. If you have a name that you would like to have considered in the future; or believe that an existing street, park or other civic property should be renamed, please submit an application form to the City of Saskatoon.
