Credit Application Type:	<input type="checkbox"/> New	<input type="checkbox"/> Updated	<input type="checkbox"/> Renewal <input type="checkbox"/> Change-in-Ownership

Section 2. Storm Water Credit Amounts

Non-residential/multi-residential property owners can receive up to a 50% credit on their Storm Water Utility bill. The Storm Water Management Credit (Credit) is awarded based on the following categories:

- **Water Quality Improvements** - Based on the proportion of storm water directed through a quality control infrastructure that removes a minimum of 80% total suspended solids (TSS).
- **Peak Flow Reduction** – Based on the proportion of storm water for a standard 1-in-2 year rain event held onsite and released slowly to the City’s storm water system.
- **Onsite Retention** – Based on 2% per millimeter of storm water up to 25 mm that is retained onsite and not released to the City’s storm water system.

Fill in all categories that apply: (Please use [Storm Water Credit Calculator](#))

Credit Type	Maximum Credit	Application Percent
Water Quality Improvements	20%	
Peak Flow Reduction	30%	
Onsite Retention	50%	
Total Credits	50%	

Section 3. Application Submission Checklist

Prior to submitting the application, ensure that you have reviewed the Storm Water Management Credit Application Guidance Manual, and the following supporting documentation has been attached:

A. New or Updated Credit Application

- Engineering Drawings and Details (as outlined in Guidance Manual)
- Credit Calculation (see online template)
- Inspection and Maintenance Plan (see online template)
- Certificate of Operation (see template in Guidance Manual)

B. Credit Renewal Application or Change-in-Ownership Application

- Report confirming that the performance of all BMPs remains consistent with the previously approved credit application and are in a state of good repair
- Completed Inspection and Maintenance Log as per previously approved plan
- Update to Inspection & Maintenance Plan, as required

Other (Provide Description):	

Onsite Retention

Rain Garden	
Cistern	
Permeable Pavement	
Infiltration Gallery	
Green Roofs	
Rainwater Harvesting System	
Other (Provide Description):	

Section 5. Terms of Agreement

I hereby request the City of Saskatoon to review this application for a Storm Water Management Credit.

By accepting the terms of agreement below, I understand that receipt of a Credit is contingent upon my actions as follows:

1. I must operate and maintain the BMP as described in [Bylaw No. 9545](#) and the [Storm Water Management Credit Application Guidance Manual](#).
2. Any information/documentation attached to this application is true and correct to the best of my knowledge
3. I give the City of Saskatoon the authority to inspect any BMP on my property in accordance with section 324 of [The Cities Act](#), to confirm that my BMP(s) is performing as indicated in my application and/or supporting documentation. The City will schedule an inspection date and time that is mutually acceptable to both parties.
4. Failure to allow property access will result in the cancellation of any Credit. Failure of a BMP's conditions and performance will result in the cancellation of any Credit. The City has the authority to issue an administration fee in such events.

Owner or Designate Name: _____
