Instructions for the posting of the Public Notice for the relocation of buildings

Prior to moving a building within the City of Saskatoon, the person moving the building is responsible to ensure that the following persons have been notified a minimum of 24 hours prior to the time of the move.

1. The Community Association where the building is being moved from.
2. The Community Association where the building is being moved to.
3. Residents within 60m (200 feet) of the site where the building is being moved from, and
4. Residents within 60m (200 feet) of the site where the building is being moved to.

The purpose of this notification is to minimize any disruption to the neighbourhood because of the move.

You may contact our office at 975-3236 to determine contact names for the Community Associations.
