

Primary Subject / #	Name	Lead Department / Branch / Section Details	Status
Neighbourhood: King George		Secondary Subject: LAP	
Land Use (Residential)		Community Services/ City Planning	Completed
1.1	New Land Use Policy Map	That City Council adopt the attached King George Land Use Policy Map and amend the City of Saskatoon Development Plan Bylaw No. 7799 to include the King George Land Use Policy Map; and that there be no change to the existing zoning pattern in the King George neighbourhood.	
Land Use (Residential)		Community Services/ City Planning	Completed
1.2 (a)	Report to SHAC on setbacks, innovative infill, levies	That the Community Services Department, City Planning Branch review and report to the Saskatoon Housing Advisory Committee on policies and initiatives that affect the viability of infill development, including: the frontage and set back requirements for narrow lots; servicing costs and levies as applied to redevelopment; the potential role of the City in facilitating the provision of land targeted to innovative and affordable infill development.	
Land Use (Residential)		Community Services/ City Planning	Started
1.2 (b)	Report to SHAC on voluntary design guidelines for infill	That the Community Services Department, City Planning Branch review and assist the establishment of voluntary guidelines and possible incentives to encourage property owners to respect and reinforce the character of the King George neighbourhood when developing or redeveloping housing.	
Land Use (Residential)		Fire and Protective Services	Completed
1.3 (a)	Promote property maintenance	That the King George Community and School Association, the Community Services Department and the Fire and Protective Services Department take a lead role to promote neighbourhood cooperation and understanding of property maintenance standards in King George.	
Land Use (Residential)		Community Services/ City Planning	Completed
1.3 (b)	Options to monitor and report on housing conditions	That the Community Services Department, City Planning Branch submit a report to the Saskatoon Housing Advisory Committee that identifies options to monitor and report on housing conditions over time in Saskatoon's core neighbourhoods.	
Land Use (Residential)		Fire and Protective Services	Completed
1.3 (c)	Resolve property maintenance through mediation	That the Fire and Protective Services Department and Saskatoon Police Services, in consultation with the King George Community and School Association, work together to identify opportunities to resolve property maintenance issues through mediation in the King George neighbourhood.	
Land Use (Residential)		Utility Services/ Environmental Services	Completed
1.4	Promote Trash Tips Program	That the Utility Services Department, Environmental Compliance Branch, establish a working relationship with the residents of King George through the King George Community and School Association to promote the Trash Tips Program in the neighbourhood to help raise awareness, and enforce regulations prohibiting inappropriate solid waste disposal in the neighbourhood.	
Land Use (Commercial/Industrial)		Community Services/ City Planning/ Local Area Planning Section	Completed
2.1	West Industrial Local Area Plan	That the King George Local Area Planning Group be invited to participate during the public consultation process of the West Industrial Local Area Plan to ensure that their concerns regarding future industrial development as well as excess noise, dust, air, and visual pollution are addressed.	
Parks, Recreation & Open Space		Infrastructure Services/ Parks	Completed
3.1	17th Street ROW -- Pedestrian Linkage	That City Council support, in principle, the purchase of the 17th Street right of way by the City of Saskatoon to serve as a pedestrian linkage and connective linkage and connective park between the King George neighbourhood and Victoria Park.	
Parks, Recreation & Open Space		Community Services/ Community Development	Completed
3.2	Alternative funding options to address park deficiency	That the Community Services Department, Community Development Branch work with the King George Community and School Association to explore alternative funding options that can be used to meet the neighbourhood allocated park space requirements outlined in the Parks and Recreation Open Space policy and Park Development Guidelines and that the Community Development Branch work with the King George residents, through the King George Community and School Association, to create and identify innovative funding options to upgrade, beautify, and maintain existing park space.	

Primary Subject / #	Name	Lead Department / Branch / Section Details	Status
Neighbourhood: King George		Secondary Subject: LAP	
	Parks, Recreation & Open Space	Community Services/ Community Development	Started
3.3	Options for upgrading King George School site as park	That the Community Services Department, Community Development Branch facilitate discussion with the King George Community and School Association and the Saskatoon Public School Board to consider the feasibility of upgrading the King George Community School ground property as neighbourhood park space.	
	Neighbourhood Safety	Community Services/ City Planning	Completed
4.1	Conduct a CPTED safety audit in the neighbourhood	That the King George Community and School Association work with the Community Services Department, City Planning Branch and Community Development Branch to conduct a Safety Audit, using the principles of Crime Prevention Through Environmental Design (CPTED), on part or all of the neighbourhood to identify issues of concern to residents and that the King George Safety Audit Report be forwarded to the King George Community and School Association, the Safer City Committee and Saskatoon Police Services.	
	Neighbourhood Safety	Community Services/ City Planning	Completed
4.2	Enhance working relationship with community on safety.	That the Community Services Department, City Planning Branch and Community Development Branch and Saskatoon Police Services enhance their working relationship with the King George Community and School Association to further identify, prioritize and address specific and potential safety concerns that arise during the King George Safety Audit.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.1	Traffic study of Ave H, Ave P, 17th Street, and 11th Street	That the Traffic Management Section initiate a traffic study for Avenue H, Avenue P South, 11th Street, and 17th Street to quantify the amount and type of speeding taking place. The results of the study as well as any recommendations should be forwarded to the King George Community and School Association.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.2	Traffic study of potential extension of Spadina West	That once the future development of the vacant A.L. Cole Site is known, the Traffic Management Section submit a report to the Planning and Operations Committee identifying projected traffic volumes and flows created from the potential extension of Spadina Crescent West. The results of the study as well as any recommendations should be forwarded to the King George Community and School Association.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.3	Review intersections at Ave H and 16th Street	That the Traffic Management Section undertake a review of the intersection of Avenue H and 16th Street to quantify traffic volumes, collision rates, and traffic safety. The results of the study, as well as any recommendations, should be forwarded to the King George Community and School Association.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.4	Community Entry Point Signage	That the Traffic Management Section, in consultation with the Community Services Department, Urban Design Section submit a report to the Planning and Operations Committee outlining the feasibility and functionality of constructing community entry point signs that promote driver awareness and caution in the King George neighbourhood. The results of this study should be forwarded to the King George Community and School Association.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.5	Increased enforcement of heavy vehicles and vehicle noise	That the Saskatoon Police Service be requested to increase enforcement prohibiting heavy vehicle traffic and excessive noise on 17th Street, Avenue P South, 11th Street, and Avenue H South.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.6	Pedestrian crossing study	That the Traffic Management Section undertake a pedestrian crossing study at the intersections of Avenue H and 16th Street , Avenue H and 15th Street, and Avenue K and 16th Street in order to assess the need for improved pedestrian crossings. The results of the study as well as any proposed recommendations should be forwarded to the King George Community and School Association.	
	Transportation, Circulation & Parking	Infrastructure Services/ Municipal Engineering/ Traffic Management Group	Completed
5.7	Construct sidewalk along Avenue P - 11th Street to 18th Street	That the Traffic Management Section, in consultation with the King George Community and School Association, submit a request to Council to oversee a capital improvement project to construct a sidewalk along Avenue P South between 11th and 18th Street to link up with the sidewalk that exists on 19th Street. The project should be given priority and funding allocation through the Sidewalk Pathway Retrofit Program.	

Primary Subject / #	Name	Lead Department / Branch / Section Details	Status
Neighbourhood: King George		Secondary Subject: CPTED - Natural Surveillance	
Neighbourhood Safety - Safety Audit		Infrastructure Services/ Parks	TBD
6.1.1	Tree Trimming	That the Parks Branch, Infrastructure Services Department identify and potentially trim and/or remove trees on the north-east corner of the tennis courts, near the Victoria Park SkatePark, to increase natural surveillance and reduce hiding places in the area. This should be done in conjunction with the Victoria Park Master Plan which is slated for late 2009 or early 2010.	
Neighbourhood Safety - Safety Audit		Fire and Protective Services	Completed
6.1.2	Avenue N Properties	That Fire and Protective Services advise property owners of the vacant lots located on the west side of 800 block of Avenue N, across from St. Andrew's Park, to clear or trim overgrown trees and bushes and to remove or maintain sheds that may be a hazard.	
Neighbourhood: King George		Secondary Subject: CPTED - Community Culture	
Neighbourhood Safety - Safety Audit		Community Services/ Community Development	TBD
6.10.1	Public Art Program	That the Planning and Development and Community Development Branches, Community Services Department meet with the King George Community Association to help them establish a mural or public art program for facilities and structures in the neighbourhood, such as the rink boards on the school grounds.	
Neighbourhood Safety - Safety Audit		Community Services/ Planning and Development	Started
6.10.2	Cultural / Historical Signage	That the King George Community Association, in consultation with the Planning and Development Branch, Community Services Department, organize a meeting with the Saskatoon Public Schools Division and the King George School administration to discuss the addition of signage on the school grounds that recognizes the heritage, diversity and history of the school and community.	
Neighbourhood: King George		Secondary Subject: CPTED - Connectivity
