### EMPLOYMENT OPPORTUNITIES:

The City of Saskatoon and communities all across Saskatchewan have job openings in field of Water/Wastewater Treatment, Collection and Distribution. This training opportunity prepares people for hiring in the Spring of 2026.

**If your passion is environmental sustainability, this may be the career path for you.**

The Water Distribution & Collection Training Course is being delivered by Saskatchewan Polytechnic and Radius Community Centre in partnership with the Saskatoon Tribal Council, Gabriel Dumont Institute, and City of Saskatoon.
