

*On September 15, 2023, Vancouver-based shameless hussy productions
will offer two performances of:*

a play with music exploring the topics of **human trafficking, sexual exploitation**
and **“love bombing”** (the ways traffickers initially shower their victims with
affection, creating an illusion of love, before demanding repayment on this “love”)

Love Bombing - IDENTIFY THE SIGNS

- Sudden interest in an older man
- Having no money and yet suddenly wearing new clothing, jewelry
- Frequent sleepovers at a “friend’s” house
- Sudden change in style of dress, make-up, appearance
- New circle of friends and isolation from old circle
- Change in attitude towards school, friends, regular activities
- Plummeting grades
- Unexplained cuts or bruises
- Using two cell phones
