

WASTE & RECYCLING
WORKERS WEEK

Get to know your green cart!

Scrape your plate! The green cart accepts all food waste and most yard waste. Everything from carrots, eggs, bones, branches and even leftover spaghetti.

Thank you!

Let's thank our waste warriors!

Colour in the carts or fill them with pictures of all things that you put in each cart. Email us a copy to wastewarriors@saskatoon.ca by May 31 for your chance to win a visit from a collection truck!
