

# Green Cart Program

## 2022 REGISTRATION & RENEWAL FORM

The Subscription Green Cart program offers convenient front-street collection of yard and food waste every two weeks from May 2 to November 4, 2022. Current black and blue cart customers are eligible for this service.

Food and yard waste aren't garbage, they're valuable materials that can be used to improve our parks, community gardens, and other public green spaces. Green Carts accept food waste, such as fruits, vegetables, nuts, eggs, coffee grounds and filters, and food-soiled paper as well as yard waste like leaves and grass.

There is no automatic renewal for the 2022 season and billing does not occur as part of your utility bill. If you want to continue to keep your Green Cart and collection service, you must renew and pay the seasonal fee. Please remember, all fees are non-refundable.

**Renew your subscription or register for the 2022 season by April 30 to be eligible for the early bird rate of \$65!** On May 1, the fee will increase to \$85. Registration closes September 30.
