

# Your collection dates are changing!

As Saskatoon grows, the City is always looking to improve services. Changes are coming to routes in 2024. These changes will reduce fuel consumption and create efficiencies to keep costs lower and cut greenhouse gas emissions.

We appreciate your patience as we make these necessary improvements and understand that some neighbourhoods will experience longer periods between collections for certain carts.

**The new routes will be in effect the first week of January 2024.**

**Reminder:** if you have a cart collection that falls on Monday, December 25, it will be moved to **Saturday, December 30**.
