

HELP Planned Project Details

☐ I am an Income-Qualified household.

Income-qualified households are eligible for all available rebates.

☐ My home was built in 1990 or prior.

*Homes built in 1990 or earlier are eligible for standard rebates (denoted by *).*

*If your home was built in 1991 or later, **and** your household income is above the income-qualified cut-off amounts, your project is **not eligible** for rebates.*

Planned Home Upgrade(s)	Minimum Specifications Required	Description	Maximum Rebate Value	Contractor Name	Estimated Cost	Estimated Rebate Amount	Estimated Final Cost
<div>✓ Planned Improvements</div> <div>Please check off and complete the details only for the upgrades you intend to complete.</div>	Ask your contractor(s) to provide this information with your quotes. To be eligible for funding, your improvements must meet the minimum ENERGY STAR and WaterSense specifications listed below. Visit saskatoon.ca/HELPSpecs for more information.	For example: equipment make and model, materials, efficiency rating, etc	Maximum rebate available for each retrofit type.	Please name the contractor or company providing the cost estimate and attach their estimate with the funding request form. If you intend to complete a do-it-yourself upgrade, write “DIY” under the contractor name section.	Indicate the total estimated costs for each improvement based on the contractor estimates, including labour, materials and taxes.	Estimated rebate amount applied based on planned retrofits.	Estimated final cost after estimated rebate applied.
