Earth Disposal

Kensington Grouped Lot Open Market Sale – Earth Disposal

Earth Disposal

Contractors and individuals will be responsible for disposing of their own excess earth material. The clean fill site located at the 33rd Street West/Kensington Boulevard intersection has been closed and will not be reopened.

The City of Saskatoon Landfill will accept clean fill during normal hours of operation, 7:30 a.m. – 5:30 p.m. daily.

If arrangements are made with another landowner to dispose of the material anywhere within the city limits, they are to contact Central Dispatch at 306-975-2491 and they will maintain a log of locations. If disposing of material outside the city limits within the RM of Corman Park, the RM must be notified of those arrangements. Please ensure basement excavations and all other construction waste materials are not deposited on adjacent properties or any other properties in this area without prior arrangements being made.

Regular inspections of the area will be done and any individual or company found illegally disposing of materials on properties without the owner's permission shall be liable of fines up to \$25,000 as outlined in City of Saskatoon Waste Bylaw No. 8310.
