Voting safely is our priority.

The Saskatoon Civic Election is November 9, 2020 and it will be different than any previous election in Saskatoon. There have been planning challenges, and yet many new opportunities have been presented.

Tasked with planning a safe, transparent and accessible Civic Election during the COVID-19 pandemic, the Election Team has committed to new processes and safety measures to protect voters, election workers, candidates, and candidate's agents at all voting locations and at the Election Office.

The Election Team is taking the lead from Elections Saskatchewan and will have similar processes and safety measures as the provincial election on October 26, 2020.

Due to sanitization protocols and physical distancing, voters may encounter longer voting times. Voters are encouraged to vote early and at off-peak times during Advance Polls.

Official election results announced Friday, November 13, 2020. Visit electionresults.saskatoon.ca

The 2020 Civic Election and COVID-19

Safety measures in place for voters at all Advance Polls and on Election Day:

- ✓ One-way directional traffic entering.
- ✓ Physical distancing and capacity limits. Voters will be distanced 2 metres (6 feet) apart.
- ✓ Hand sanitizer available prior to entering.
- ✓ Frequent sanitization of common surfaces.
- ✓ Election workers will wear masks and gloves.
- ✓ Protective dividers separating voters from election workers.
- ✓ All election workers will be provided with personal protective equipment: masks, gloves, hand sanitizer, physical dividers.

Voters are encouraged to:

- ✓ Wear a mask while attending an Advance Poll or on Election Day.
- ✓ Bring your own marking device (ink not pencil).
- ✓ Plan to vote early to avoid lineups and longer wait times.
- ✓ Stay at home if feeling unwell and explore other voting options such as mail-in ballot.

The Civic Election Team will respond to any new public health orders and COVID-19 directives issued by the Province.

We've Updated Voting Options and Added New Technology

Saskatoon has continued to grow, technology has changed and continues to improve, and citizens expect more voting options. Add in election planning during the COVID-19 pandemic – well, things are quite a bit different than in 2016.

The Civic Election Team has added a number of new enhancements for 2020:

- The city's first safe and convenient **Drive-thru** early voting opportunity in Saskatoon
- Additional polling locations on Election Day, November 9
- A bylaw change making mail-in ballot application available to all voters by online application or in-person by appointment
- New ballot-on-demand printers creating less paper waste

AutoMARK Voter Assist Terminals

Voter Assist Terminals (VAT) are now available at **all Advance Polls October 30 - November 5** with the exception of the Drive-Thru poll and The Centre Mall. **On Election Day, November 9**, a VAT terminal will be located at the Frances Morrison Central Library across from City Hall down town. Accessible entrance.

New Information for Voters in 2020

IMPORTANT: With Ward Boundary Changes, Some Neighbourhoods Have Changed

In 2019, the **Municipal Wards Commission established new ward boundaries**. The Commission's review is a legislated requirement under *The Cities Act*, which must be undertaken to meet legislated population variance requirements. New ward boundaries take effect with the 2020 municipal and school board elections.

What does this mean?

Some neighbourhoods have changed wards. Voters, you need to know what ward you belong to so you know which candidate to vote for.

Voters, if you live in one of these neighbourhoods listed below, you will vote in your new ward for the 2020 Civic Election.

Voters, enter your address at saskatoon.ca/mypoll to confirm the **WARD** you belong to and **VOTING LOCATION** you must attend if you are voting on Election Day, November 9.

Here are the ward changes you need to know:

Think about the next 4 years.

Mayor | City Councillors | Public School Board Trustees | Catholic School Board Trustees

Municipal government provides the civic services we all rely on and value every day, and decisions made at the City of Saskatoon impact your community today - and in the future.

If you care about transit service, local fire & police protection, well-maintained roads, property taxes, garbage/recycling collection, environmental progress at the city level, community water systems, land development, parking, recreational & cultural facilities and more, make the choice to vote in Saskatoon's Civic Election on November 9, 2020.

Your **City.**
Your **Choice.**
Your **Vote.**

Who can vote?

You are eligible to vote if you meet the following criteria as of November 9, 2020:

- You are a Canadian citizen and at least 18 years of age on the day of the election
- You have resided in Saskatchewan for at least six consecutive months immediately preceding election day
- You are a resident of Saskatoon or you have owned assessable land within the municipality for at least three consecutive months immediately preceding election day
- If you live outside of Saskatoon but are the owner of assessable land in the City of Saskatoon, you are eligible to vote for mayor and ward councillor only

Do you own assessable land in more than one ward in which you do not reside?

If so, you are eligible to vote only in the ward in which the total assessment of the voter's land is highest. Contact the assessment office at asmt.submit@saskatoon.ca or call 306-975-3227 to request a certificate. You must then present the certificate to the election official when registering to vote at the polling place you attend.

Voting for a Saskatoon Catholic School Board Trustee?

You must be of the religious faith of the minority that established the separate school division. This means you must be of the Roman Catholic faith which includes any Catholic rite, such as Roman, Ukrainian, Chaldean, etc. that recognizes the pope as leader of the church.

What ID do I need to vote?

All voters must provide identification (ID) which shows their name and address.

When you go to vote at a polling place, you must bring identification.

You have various options:

Option 1: (Your Best Option)

- One piece of identification that includes your photo and address
- ID must be issued by a federal, provincial, or municipal government

If you do not have a driver's license you are able to acquire photo identification from the Saskatchewan Government Insurance company (SGI).

Option 2:

- Two original pieces of information, both which must contain your name and at least one that must contain your address. Examples include a utility bill issued to you within the last six months or a credit card statement
- Visit saskatoon.ca/vote2020 to view **50 forms of ID that will work for voting**

Use your phone to prove your identity and residence by showing the election worker your bank statement, utility bill or rental/lease agreement

Option 3: There are ways to vote even if you do not have ID

- If you do not have any form of acceptable identification another person can vouch for your identify and address. In this case the following must be met:
 - The person vouching for you must be present with you at the polling place
 - The person vouching for you must have acceptable identification
 - The person vouching for you must be an eligible voter in the 2020 Saskatoon civic election
 - A form to vouch for another person must be completed at the polling place

Voter Registration Form Information

The City of Saskatoon does not maintain a voters list for municipal elections:

- Eligible voters are required to fill out a Voter Registration Form at the polling location.
- Save time and complete your form ahead of time to make your voting experience quicker - complete form on back page of this Voter's Guide or download the form at saskatoon.ca/vote2020
- Voter registration forms will be available to fill out at the polling stations - for safety, bring your own pen

Vote by Mail-in Ballot:

Eligible voters, here are your options to apply:

- **Online** - Apply at saskatoon.ca/mail-in-ballot before October 30
- **In-person (by appointment)** - Print, complete, and deliver the **voter registration form/mail-in ballot application** to the election office.

Whichever application method you choose, be sure to **complete all three steps** below as incomplete applications **cannot be processed**.

- Step 1:** Complete the **voter registration form/mail-in ballot application**; make sure you have not missed filling in any areas.
- Step 2:** Complete the **voter and witness declaration form** (an acceptable witness is any person eligible to vote in the 2020 Saskatoon Civic Election).
- Step 3:** Include your ID. Use your phone to take a picture, submit a scanned image, or photocopy it. One piece of government-issued, photo ID is the easiest option.

Approved mail-in ballot packages will begin to be mailed in mid-October after the close of nominations. Once you've received your mail-in ballot package, follow the instruction sheet provided in your package to mark your ballot and return in the postage paid envelope supplied for you in your package.

Mail-in ballots must be received by 8:00 pm at the election office to be counted.

Remember voters, incomplete mail-in ballot applications cannot be processed.

Advance Polls October 30 – November 5.

Vote early and conveniently at off-peak times. 10 locations, 7 days.

Eligible voters can vote early at **ANY Advance Poll location.**

Important: Voting Assistance

Voter Assist Terminals (VAT) will be available at all Advance Poll locations except drive-thru voting and The Centre Mall. Additional support persons and service animals are welcome at all voting places.

Special Polls: COVID-19 and Hospital, Personal Care Home and Homebound Voting

The election team has followed all directives and guidelines of the province's chief medical health officer and Elections Saskatchewan in setting up safe voting protocol in hospitals and care homes.

Hospital Voting: Voting in hospitals and Parkridge Centre will take place on November 9 between the hours of 9:00 am and 5:00 pm

Personal Care Home Voting: Final dates and times to be determined by care home facilities.

Homebound Voting: Homebound voting is provided in order to take the vote of a voter that has a disability or limited mobility and is unable to attend an established polling place to vote.

Due to COVID-19 it has been determined that homebound voting is not practicable due to the risk of transmitting the virus. The civic election team is following the lead of Elections Saskatchewan and, as such, will be administering homebound voting through mail-in ballot.

Contact elections@saskatoon.ca or **306-657-8683**.

Apply for your mail-in ballot package online by October 30 at saskatoon.ca/mail-in-ballot.

Apply in-person by November 8. Appointments required. Email elections@saskatoon.ca or call 306-657-8683.

Vote safely. Stay inside your vehicle to cast your ballot.

STEP 1: Give your completed voter registration form and show your identification to the election official.

STEP 2: Receive your ballot and fill in the oval next to your choice for mayor, councillor, and/or school board trustee.

STEP 3: Return your ballot to the election official who will insert it into a vote-counting machine.

Save time. Fill out your voter registration form before arriving. (find on back page)

ELECTION DAY: Monday, November 9, 2020

All polls on Election Day will be open from 8:00 am to 8:00 pm.

Election Day polls have been planned to have one voting location per neighbourhood where possible. You must attend the polling location assigned to the ward in which you live. **Enter your address at saskatoon.ca/mypoll to confirm your ward and voting location on November 9.**

What if English is your Second Language?

The Election Office is committed to removing barriers to voting and that includes language as a barrier.

Election workers who speak additional languages other than English to reflect our diverse community and languages spoken in Saskatoon will be available.

Ask if any staff speak your language and watch for the special language badges they'll be wearing. You may bring your own translator to assist you in voting. Your translator will need to complete the Declaration of Interpreter form.

Voter Assistance

Voter Assist Terminals (VAT)

Voter Assist Terminals provide assistance for voters who are visually or physically impaired, allowing them to cast their ballot independently and privately. COVID-19 safety protocols will be in place and all equipment will be sanitized between use.

There are **multiple ways for voters to interact** and make choices on the ballot using the voter assist terminal.

- Directly on the touch screen (various languages available)
- Keypad - includes Braille
- Rocker Paddle Device
- Sip-N-Puff Device
- Audio Headphones

Advance Polls: Voter Assist Terminals (VAT) will be available at all advance poll locations (listed page 8) except at drive-thru voting and The Centre Mall. Additional support persons and service animals are welcome at all voting places.

Election Day, November 9: VAT location - Frances Morrison Central Library, 311-23rd Street E, across from City Hall. Wheelchair accessible.

Where do you go to vote on Election Day?

All ward maps and polling stations are listed for you starting on page 12. Find the ward where you live and the location of your polling place.

Don't know the ward for your neighbourhood?

Enter your street name first and then your building number into the easy-to-use poll finder at saskatoon.ca/mypoll.

Important information for Voters - Poll Locations

- **If you reside outside the City of Saskatoon** but are eligible to vote for the municipal election because you own property in the city you must vote in the poll in which the property is located.
- **If you own more than one property in the city**, you can only vote once in the ward where your highest assessable property is located.

Helpful tip:

- **Poll boundaries run down the centre of a road. If you live on one side of the road, you may vote in a different ward than your neighbour across the street.**
- **Need transportation? Take Saskatoon Transit for free on Election Day. (pass on back cover)**

- 1** Upon arriving at a polling place, an election worker will greet you and determine if you are at the correct voting place for your neighbourhood. (At Advance Polls you can vote at **ANY** location). 
- 2** Another election worker will ask you to show your ID to establish your name and address. 
- 3** You will complete a voter registration form (save time, fill out form on back cover prior to going out to vote) then be issued one ballot in a secrecy sleeve. 
- 4** Go behind the voting screen. Fill in the oval next to the candidate's name. 
- 5** Insert your ballot into the secrecy sleeve used to maintain the privacy of your vote. 
- 6** Hand the secrecy sleeve to the last election worker who will insert the ballot into the vote counting machine. 

That's it. You have voted. Congratulations!

Remember: You can vote at ANY Advance Poll location but on Election Day, November 9, 2020 you must vote at the polling station assigned to the neighbourhood in which you live.

Don Atchison has an outstanding record of accomplishments as the former mayor of Saskatoon. Using his leadership skills and ability to work with various organizations and levels of government, Don played a key role in the development of River Landing, construction of the Gordie Howe and Chief Mistawasis bridges, and the creation of some 50,000 new jobs during Atchison's terms as mayor. If elected, Don Atchison would oppose any tax increases for 2021. He also opposes a Bus Rapid Transit system, which has cost upwards of \$500 million in other centres such as Mississauga. He would use his proven collaborative skills to move rail lines disrupting city traffic, and convert the beds of these rail lines into trails for pedestrians, joggers and cyclists. Continuing his work to improve our downtown, Atchison proposes a major entertainment venue which would complement River Landing, creating a safer, more vibrant city centre.

We live in an amazing city. I am running for re-election because I believe in our community and our ability to build a strong economic future where no one is left behind. I will continue to provide steady, collaborative leadership that will build on what I have already accomplished and will position our city for success in a changing future.

In the past four years we have made record investments in infrastructure, worked to modernize city services and keep taxes down, built great facilities for youth, families and seniors, strengthened reconciliation and inclusion, made progress tackling addictions and the root causes of crime, and kept people safe through COVID19.

We need to continue moving forward as a city: to be as strong as possible during COVID19, and successful on the other side. My focus is to keep people safe, keep people working and strengthen our quality of life.

I represented thousands of Saskatoon families as the provincial MLA for Saskatoon Greystone from 2007-2015, was a provincial cabinet minister, and have been a senior advisor at the University of Saskatchewan and Canadian Light Source.

For decades now, I've built a professional track record of promoting Saskatoon and its families, economy and culture across Canada and the world.

As I've canvassed our city it's become clear that residents are looking for a more affordable, prosperous and safer Saskatoon.

I've put forward a platform that supports capping annual property tax increases at just 1 percent; I stand shoulder-to-shoulder with the Saskatoon Police, Fire, and protective services; I will address downtown safety concerns; reduce annual fees for businesses; and I have pledged to act as the Chief Growth Officer for the City of Saskatoon, focusing on more private sector jobs.

On November 9, let's vote for a more affordable, prosperous, safer Saskatoon.

Saskatoon is a city with a fierce entrepreneurial spirit. It has made me who I am today. Now, I am running as Mayor in Elections 2020. I will seize this opportunity to reflect on some key reforms. I propose zero percent increase in property taxes by ensuring sound fiscal management of the budget, and through a reduction in unnecessary spending. I intend to capitalize on my experience as a civil engineer by assuring major infrastructure projects for our region. I also suggest interfaith initiatives locally which will curb racism and promote widespread tolerance. There is a dire need to attract tourism opportunities by attracting investors into building a theme park. Our citizens are worrying about youth in particular and I wish to solve their diverse issues by designating a facility for their support. I would like to keep extending support to police in the budget for a safer Saskatoon.

The citizens of Saskatoon need leadership at City Hall, not mediation. I have real world experience dealing with real world situations. Not just academic situations. The industries that I have worked in require leaders to make informed but timely decisions - for mining, construction and the military. Since we are now facing our greatest challenge in a generation, the old ways will no longer cut it at City Hall. We need to stop taking on debt and to get control of our finances. Let's focus on growth to 300,000 because our provincial population is actually starting to shrink again. We can keep an eye on the far off future but we need to improve the lives of the people that live here now. My name is Cary Tarasoff and I want to serve you as your Mayor.

As an entrepreneur and an advocate in our community, I'm about fostering Hope, Dignity & Respect. My priorities are as follows:

REVITALIZATION OF SASKATOON'S DOWNTOWN

We need to dissolve the Lighthouse and move the bus mall.

MEGA PROJECTS

We need to shelf mega projects until our economy improves.

BUDGETING

We have to get serious about budgeting in this city. The current process is flawed in many ways.

REDEVELOPING CORE NEIGHBOURHOODS

We need to revitalize our core neighbourhoods by introducing more flexibility into our zoning bylaws to all redevelopment of older properties.

MUNICIPAL TAX RULES

We need to provide recourse in our taxation system.

The rules regarding appeals of tax assessments are too rigid and created to favour the City.

IF YOU WANT CHANGE, YOU CAN'T KEEP MAKING THE SAME CHOICES!

As a father, entrepreneur and scientist living in Saskatoon, I see that Ward 1 needs stronger leadership with fresh ideas. Complex problems facing Saskatoon like crime, social welfare and economic development require innovative thinking and practical problem-solving, two things we lack in right now on City Council.

As your Councillor, I will listen to and collaborate with my constituents, research the issues and bring forward the best plans for Ward 1.

My priorities are to build stronger neighbourhoods, reduce wasteful spending, encourage economic development, invest in waste management infrastructure, and ensure elected officials are accountable by linking their pay to results.

I have a BSc in Agriculture from the U of S, a MSc from the U de Montreal, and a PhD in Plant Sciences from the U of S. I have lived in Sutherland since 2010, and previously lived in the City Park and Nutana neighbourhoods in Saskatoon.

I am a 30+ year resident of Ward 1 and this is where I have raised my family.

My mandate is to have a responsive council committed to advancing Saskatoon into being a leader in environmental sustainability, cultural relations, and safe communities.

I have served on Council for 14 years, am 2ndVP of Federation Canadian Municipalities and have spent the last term advocating for you at the provincial and national levels, resulting in unprecedented infrastructure funding, environmental programming, and coordinated pandemic response with operating funding. My work is not done, there are still unknowns ahead.

I humbly ask for your vote.

Her experience, knowledge, and patience are exactly what Ward 1 needs in a representative. Kyla has 15 years of experience working in the service industry and is currently the manager of a chain restaurant, this is a huge asset to the role of City Councillor because it demonstrates her ability to serve the general public. She holds a B.A. Double Major History/Political Studies Minor in Biology.

As City Councillor Kyla Kitzul will bring a plan to Council that would propose Spadina Crescent between Queen and Duke Street become a walking space on weekends. This would reduce and slow traffic in the area and create a socially distant gathering space for residents and mobile businesses.

As City Councillor Kyla Kitzul will bridge the gap between Ward 1 residents and CP Rail.

I'm Bobbi Ehman, your Ward 3 candidate for Saskatoon City Council. My family and I live in Parkridge; a quiet friendly area with great friends and neighbours, and a strong sense of community. My first priority on council is to trim the city's budget. Excessive spending, combined with the economic effects of Covid, means fiscal restraint is imperative. My goal is to trim the budget, reassess large capital investments, and minimize future property tax increases. Secondly, crime is increasing at an alarming rate, with no plans to address the issues. I'm a staunch conservative who believes defunding the police isn't the answer; however, better allocation of funds will allow our police and communities to thrive in the future. If elected, I won't back down from my stances; you'll find I'm the strong willed, no-nonsense voice of reason that will always do what is best for my constituents.

I've been a proud resident of Ward 3 for most of my life. I've seen our neighbourhoods go through a lot of changes over the years - and I want to be one of those driving that change, with my neighbours' voices at the heart of the work I do.

Saskatoon City Council needs a strong voice to help make life a little bit easier, safer, and happier for my neighbours. If you elect me, I'll bring hard work and dedication to listening, learning and getting results for you.

Together, we will tackle the root causes of crime, bring more recreational facilities to the west side, provide good value for tax dollars while keeping increases manageable, and keep our tax dollars local.

On November 9, vote for your neighbourhood and your neighbour. Elect me, Nick Sackville, to be your city councillor.

I am on the record fighting for fiscal responsibility and voting for lower taxes. My focus is providing quality core services such as roads, sidewalks, police, fire and parks. A high priority for me is making our downtown safe again, and welcoming for all residents. I'll continue to support Police and work to reduce crime in our community. We need to eliminate red tape at City Hall and lead the economic recovery after COVID. Providing competitive tax rates will encourage investment in our city. I want to see our downtown safe so local businesses are supported, the economy is stimulated, and people are working again. For seniors, I want a safe, accessible and age-friendly Saskatoon. If we return to a focus on core services, we can afford infrastructure upgrades while keeping taxes low. My record is clear.

- A 0% increase of property tax in 2021 is possible and something I will vote for. I will work cleverly and responsibly in city spending.
- With an entertainment centre upcoming, Kormish will support it being downtown. He will advocate for NO arena tax.
- The Albert Community Centre needs help. Kormish will work meticulously to find ways to assist with this active, historic building.
- Infill has proven successful in many parts of our city. What Kormish desires is transparency for residents. Some adjustments are needed to protect neighborhoods, as well, the unpredictability must be fixed.
- Kormish wants to create a seasonal Urban Market that will celebrate our diversity and attract people downtown. It would extend along the river bank for set days in the summer.

I have been involved in our community for many years. I was President of Varsity View-Grosvenor Community Association for 4 years. I decided to run for council when it became clear that our incumbent does not always represent our views. Since then, I have developed an issues-based platform to give you a choice in our city's future.

- Hold tax increases to the rate of inflation. Stop tax and levy giveaways to high rise developments, these currently add about 1% to our property taxes.
- Environment. Build a safe, connected cycle path network that has broad community support. Green home renovation grants. LED lights. Optimized bus routes. More working from home.
- Crime reduction through prevention and early intervention.
- Infrastructure. Fix roads and sidewalks every year, not just an election year. Remake don't patch roads. Consider weight bans. Improve sidewalk design: level sidewalks with rounded curbs not driveway cuts.

Darcy Warrington is a father, husband, teacher, and a nine year, current resident of Stonebridge. Warrington understands that property taxes have been too high for too long but also recognizes that 0% increases are only feasible with majority votes on council. Darcy commits to holding tax increases to 1.5% if the library loan can be successfully rescinded and to 3% if majority support cannot be achieved. Police would still see an increase to their budget but through his proposed bylaw officer pilot project and a "pay-at-the-pump" bylaw, police would be able to focus on more serious crimes, more neighbourhood patrols, and proactive policing. He is also donating 3% or \$4350 to five community associations in Ward 7, if elected. Ward 7 needs a councillor who returns emails and council needs a fresh perspective. Having an educator in city hall would be of great value to Saskatoon.

I am committed to transparency, accountability, and keeping a distinct line between management and governance. If elected I will nurture a culture which rewards innovative thinking that leads to a more efficient delivery of core services.

The current council is enthusiastic but would benefit from project management, business development, and entrepreneurial experience, which I have developed over my career. Establishing budgets based on spending without experience in revenuebased budgeting leaves the ratepayers on the hook for escalating rate increases and exposure to cost overruns in capital projects such as the Remai Modern. Enthusiasm for a new downtown arena, library, and a \$19 billion low emissions plan MUST be tempered with reality.

Camille and I have had the good fortune to raise our two sons in Saskatoon Wildwood. We have met amazing friends and been privileged to support our community by volunteering in many ways, along with many other dedicated volunteers.

I have lived in Saskatoon for over 35 years, attended school and raised my children. When my children were young, I put myself through the University of Saskatchewan and attained a 4 year degree in biochemistry, with a minor in animal science.

Over the years I've participated in local events, voted in elections, and volunteered at the community level. The skills and experience that I bring will help guide decisions to improve the community and move the city forward, much as I do in my role as a Business Development Specialist. My plan is to focus on core services, with judicious spending of the tax dollars that support these core services. I have always thought Saskatoon does a good job, but I believe with a clear focus, we can do better. To do that, we need to have new people at the table, with a fresh perspective!

I want you and future generations to be proud to live in Saskatoon.

My priorities, if elected, will be:

- Focus on the Basics: Policing, Waste & Recycling. Roads and Infrastructure. Public Transit.
- Fair Taxes: Stop financial waste and fiscal mismanagement, Hold City Council to a high level of Accountability. Keep more money in your pockets
- Saskatoon Shines: Focus on downtown safety to make it a gathering place for all. Address the increasing violent crime rates. Support for Saskatoon's tourism industry to launch our city as a must-see destination.

Saskatoon is an amazing community and it has been my honour to serve you as Ward 10 Councillor. Saskatoon has been my lifelong home and I live in Ward 10. Together we are getting things done including completing the Chief Mistawasis Bridge and McOrmond Overpass. As Councillor, I fought for common sense speed limits and voted against budget items that were wants instead of needs. If re-elected, I will use my experience to push for real money saving initiatives at City Hall to keep your taxes in check, advocate for a new NE leisure centre with public input starting in 2021, and continue the fight for proper traffic flow technology in Saskatoon.

On November 9th, I ask for your support to continue the work that we've started. Together, let's keep moving Saskatoon forward.

For a Councillor who values hard work, a common sense approach, and results, vote Zach Jeffries.

Being a Trustee over the past four years has been a rewarding experience. In that time I have learned a great deal from students, parents, staff, and community. It's been humbling and gratifying to represent your interests as a trustee. In the last four years I worked in collaboration with The Board of Education to adopt a new strategic plan for Saskatoon Public Schools, saw the opening of four new schools, advocated for fair and adequate funding for education, balanced four challenging budgets, and met with a number of parent and community groups.

With 30+ years as an employee with Saskatoon Public Schools and the last four years as trustee, I will continue to be an experienced voice in education. I look forward to the opportunity to continue serving the community, families, and our students as a Public School Board Trustee and I appreciate your support in this endeavour.

I am thankful for and humbled by your consideration for the role of Trustee for the Greater Saskatoon Catholic Schools' Board.

I love our Lord, and our Faith. As a father of 4, I take my role seriously as the primary educator of my children with the responsibility of teaching them the Deposit of our Faith. I recognize how truly blessed we are to have a publically funded Catholic education system to support Parents and Guardians with this duty.

There are many challenges in our culture today that make teaching our Faith to our children difficult. As a new voice, I hope my life experience which includes serving on the Board of Catholic Family Services of Saskatoon for 8 years along with serving 25 years as a Professional Executor and Trustee can contribute to and support our education system that is filled with loving, faith-filled Principals, Teachers and Students.

I will work to support all GSCS employees and families to achieve the goals of academic excellence while encouraging the cultivation of faith through actions and relationships, based on the gospel values of love and respect. Efficiency of active governance through sound practice and process will support all those who work with students, as well as the needs of society and family, ensuring the best and safest use of resources, social responsibility, and sustainability. At this time of disruption, as we all learn to adapt with flexibility and positivity, productively working together we can remain strong and resilient. "We love because He first loved us".

It has been a blessing to serve on our Catholic board of education this past term. I have witnessed the outstanding dedication and efforts of our school division's staff in faithful service to students and their families, particularly during this time of pandemic. As a parent, and as a former teacher, principal, and director of education in Catholic schools, I have a deep understanding and profound appreciation of Catholic education.

In spite of the challenges associated with this pandemic and what may follow, we must never lose sight of what's best for our students. I will continue to advocate for equitable opportunities for all students; appropriate facilities, classroom supports and resources; parental choice for Catholic education; and our right to offer faith-based education.

With my experience, knowledge, and unwavering commitment, I pledge to work on your behalf to protect and strengthen the precious gift of Catholic education.

RICHARD KOLLA

CONTACT INFORMATION

Richard Kolla is a small business owner, young father of 3, a tech enthusiast and privacy advocate. He studied within the Saskatoon Greater Catholic School system from Grade 2 through 12 and brings first hand knowledge of our system as well as its needs for the youth. As fan of classical education, he wants to help imbue the timeless knowledge and wisdom that our faith has given in the scientific, philosophical and psychological realms. As someone who had mental illness issue throughout High School, he takes to heart the issues plaguing our youth today.

With a fun loving, jovial and welcoming spirit, Richard looks forward to hearing from folks. He wishes to relay what parents wants and needs are for them and their children being formed by our Catholic School System. He asks for your vote on November 9th.

I am a semi-retired Wholistic Life Coach who is passionate about the mental and emotional health and wellbeing of our children. I created "It Takes a Village" on Facebook to collect and disseminate information regarding current issues concerning our most precious resource, our children.

I am married with three daughters, and two step daughters. Of my seven grandchildren, four attend French Immersion in the GSCS System. During my daughters' education, from preschool to high school, I volunteered in numerous positions from classroom parent, Home and School Assoc. to Gr. 12 retreat. I was Coordinator of the Children of Mary and created the first Youth Ministry Coordinator office within the Ukrainian Catholic Eparchy of Saskatchewan. I sat on Parish Council and the Board for the Ukrainian Youth Camp.

My background includes coordinating Holy Spirit's first Alpha program, and graduation from Lay Formation Program and currently co-coordinate the Alumni Association.

As an advocate for life long learning and faith-based education, Sharon will continue bringing her leadership and communication skills to the role of Trustee for Greater Saskatoon Catholic Schools.

Having the honour and opportunity to serve as Trustee for the past 4 years, gave understanding of the complexities involved in these times of growth, fiscal restraint, and continuing change. Representing parents and their children and ensuring everyone that the option of Catholic education is available for present and future generations is of great importance. Achieving a Bachelor's Degree in Education, Business Administration Certificate, and Certification in Choice Theory/Reality Therapy & Lead Management signifies the importance of education in her life. Over thirty years of teaching experience along with serving and volunteering in various capacities professionally and within community organizations, exemplifies the contributions and commitment she has made for her community and profession.

Appreciate your support in this election.
