HELP SHAPE THE FUTURE OF TRANSIT IN SASKATOON

Share your priorities to help design a new fare structure that is simple, fair and sustainable for a growing city.

Public transit is more than a transportation option: it connects our community, supports our economy, and provides access to jobs, education and essential services. Saskatoon Transit is investigating ways to improve ridership, enhance service and adopt new technologies to modernize how fares are structured, while balancing revenue needs with concerns about affordability.

The City of Saskatoon invites all Saskatoon residents, both public transit users and non-users, community groups and businesses to participate in the Transit Fare Review by taking a survey. Your feedback on four options for structuring bus fare will help us understand the perspectives and preferences of the community.

We want to hear from you! Take the Transit Fare Review survey by November 4, 2025. Scan the QR Code or visit bit.ly/StoonBusFare to participate.

Not online? Pick up a printed survey at City Hall or the Saskatoon Transit Customer Service Centre downtown.
