## YOUR RIDE. YOUR VOICE.

### SASKATOON TRANSIT IS REDESIGNING THE BUS NETWORK

Saskatoon Transit is re-designing the bus route network to reflect the needs of our growing city, support long-term growth, and make public transit a preferred travel option for more residents. The current bus network will be re-designed to align with Link, Saskatoon's Bus Rapid Transit system, by spring of 2028.

Engagement will take place in several phases between now and 2028. The first phase of engagement is focused on network design principles to understand the community's priorities for the new bus network. This will be used for a proposed design that will be presented in the next phase of public engagement.

**We want to hear from you!** Tell us what is most important to you in the new bus network by taking the Bus Network Redesign survey by October 31, 2025. Scan the QR Code or visit [bit.ly/StoonBusNetwork2025](https://bit.ly/StoonBusNetwork2025) to participate.

Not online? Pick up a printed survey at City Hall or the Saskatoon Transit Customer Service Centre downtown.
