1. Minutes

RESOLVED: that the minutes of meeting held on November 28, 2013, be approved.

2. Naming Advisory Committee Report
(File No. CK. 6310-1)

Report of the Committee Assistant:

"Attached is a report of the General Manager, Community Services Department dated February 5, 2014, advising of names applied since the last meeting, and containing the following name submissions which have been received and require the Committee's direction.

General Naming Requests

- Germain
- Howse
- Krempien
- Shevchenko
- Sahli
- White

Specific Naming Requests

- Brighton (or alternate) – to be applied to the first neighbourhood within the Holmwood Suburban Development Area and added to the Names Master List for future use when naming arterial roadways.”

Mr. Michael Murphy spoke to the Committee in regards to the ‘Krempien’ application, expressing that Brian Krempien is remembered fondly in the community, as a “champion” of the underdog – an educator, organizer, and moving force for the unemployed.

Mr. Don Armstrong, Vice President, and Mr. Brad Zurevinski, Land Development Manager, representing Dundee Developments were in attendance for comments and questions on the ‘Brighton’ (or alternate) name suggestion. They noted that the alternative names provided to the Committee for consideration relate to the topography, themes and features of the area and surrounding neighbourhoods, whereas ‘Brighton’ is a unique and distinct name that will set a new identity for the Holmwood Sector – it is their first choice. Mr. Armstrong stated that Dundee hopes to sell lots this year.

The gallery was excused prior to further discussion and consideration of the applications.

Upon review of the policy and discussion regarding all of the name submissions, the following was noted:

- ‘Brighton’ (no suffix) submission was well received;
- ‘Shevchenko’ submission to be flagged on list as ‘street only’;
- ‘Sahli’ submission does not meet criteria for addition to the list at this time; and
- ‘White’ submission does not meet criteria for addition to the list at this time – further, the Committee identified more rural than civic contribution.

RESOLVED:

- 1) that the information be received;
- 2) that the Administration refer the name submissions for ‘Sahli’ and ‘White’ back to the respective applicants, requesting further information on community involvement; and
- 3) that a report be submitted to City Council recommending:

- a) that the names 'Germain', 'Howse', 'Krempien', and 'Shevchenko' be added to the Names Master List; and
- b) that the name 'Brighton' be applied to the first neighbourhood within the Holmwood Suburban Development Area and added to the Names Master List for future use when naming arterial roadways.

The meeting adjourned at 11:32 a.m.

His Worship the Mayor, Chair
