## **January-April 2015 updates**

### **CD&RR office**

In 2013 The City of Saskatoon participated in a research project being conducted by the City of Thunder Bay on race relations initiatives. CD&RR coordinator presented our latest initiatives in a presentation on April 21<sup>st</sup> in Thunder Bay.

In 2014 the CD&RR annual report recommended a more deliberate and conscientious inclusion of an anti-racism corporate and public education. It was approved and adopted by city council. The CD&RR office has developed an Anti-Racism Public Education implementation Strategy/ Action plan that outlines what the City of Saskatoon is actively doing to work towards the Elimination of Racial Discrimination under the Cultural Diversity and Race Relation Policy.

Implementation/Action plan attached.

The CD&RR office will also meet with marketing department to develop a comprehensive communication plan to most effectively establish and distribute key messages and concepts.

### **Race Relations Month opening ceremony and Living In Harmony Awards**

Race Relations Month Opening Ceremony 2016 proposed to be Tuesday March 1<sup>st</sup> in Council Chambers.

Living In Harmony Awards took place Friday March 18th, 2015 at the Broadway Theatre. Well attended and all went smoothly. This year was the first year this event took place in a public venue. It is recommended that this continue in future years. Input from the committee is welcome.

Proposed date for LIH 2016 is March 21<sup>st</sup>. CD&RR Coordinator will lead discussion at September meeting.

### **CD&RR committee forum**

Any volunteers please let Joyce know. I will chair this meeting and we can meet as an ad-hoc committee to begin planning for follow up to October Forum.

## **Anti-Racism Resource Material**

Recent-Building Bridges of Acceptance brochure attached. Copy attached for committee review.

## **Unified Minds**

Unified Minds is a youth action network committed to working towards the elimination of racial discrimination among the youth population in Saskatoon. The CD&RR office in partnership with the Core Neighbourhood Youth Coop provides opportunities for the “youth voice” to be heard.

The CD&RR Office was approached by the Canadian Roots Exchange organization and the University of Saskatchewan to partner on youth engagement initiatives. A draft partnership agreement has been forwarded.

## **Anti-Racism Action Plan for the Cultural Diversity and Race Relations Office, City of Saskatoon**

### **Ending Racism in Saskatoon**

Following years of good work and landmark steps to create a city where “where ethno-cultural diversity is welcomed and valued, and where everyone can live with dignity and to their full potential, without facing racism or discrimination,”<sup>1</sup> the City of Saskatoon Cultural Diversity and Race Relations Office intends, in 2015, to shift its perspective and “raise the bar”. The City intends to continue to value the goals of diversity and cultural accommodation, as it has, but also plans to begin the process of dismantling systemic racism in our institutions, beginning with the City of Saskatoon itself.

To realize the vision of a thriving and respectful community, all citizens need to be respected. Moreover, to realize that goal, all citizens need to enjoy a life free of unfair systemic impediments. The City of Saskatoon acknowledges that racism and discrimination exist in our community, as both overt acts of disrespect for differences, as unseen effects of a system built in a racist past or as current policy that result in racialized outcomes, and endeavors to address it directly with clear and focused effort. In 2015, anti-racist initiatives will provide education among city staff and managers, support community organizations in anti-racist efforts, review City of Saskatoon Policy and create a city-wide public education campaign. These initiatives will add to existing practices and policies such as the Equity Employment Program and partnerships with community organizations like the Youth Action Network.

### **Where is and what is racism in Saskatoon?**

While improvements have been made, racism exists in Saskatoon, as it does in all urban centres. It is found in disrespectful comments made by individuals to and about visible minorities and First Nations people. Racism exists in the facts of persistent disproportionately high rates of First Nations people residing in correctional facilities and living in poverty. For recent immigrants to Canada racism can look like a lack of recognition of foreign credentials and the subsequent difficulty finding work that fit qualifications.

### **Policy Outcomes**

The 2004 City of Saskatoon Cultural Diversity and Race Relations Policy outlines four Outcome Statements and Indicators of Success that guide the activity of the CD&RR Office.

1. The workforce will be representative of the population of Saskatoon.
2. There will be zero tolerance for racism or discrimination in Saskatoon.
3. Community decision-making bodies will be representative of the whole community of Saskatoon.
4. There will be awareness and understanding in the community regarding the issues, and acceptance of the various cultures that make up Saskatoon.<sup>2</sup>

<sup>2</sup> City of Saskatoon, Cultural Diversity and Race Relations Policy, 2004

## How will the Cultural Diversity & Race Relations Office do it?

1. An education and awareness initiative for City staff that includes leadership
2. Developing and delivering a train the trainer workshop to target internal staff leaders and external interest groups  

Two-thirds (66%) of Saskatoon residents have witnessed acts of racism against others.

More than one-quarter (28%) of Saskatoon residents indicate they have personally been victims of racial discrimination; this is an increase of 5% from the 2002 study.
3. Create an anti-racism toolkit to be available to community institutions and trained anti-racism facilitators  

More than two-thirds (70%) of Saskatoon residents say they have observed Aboriginals experiencing acts of racism.
4. Education and Awareness workshops to community groups
5. Align efforts with Aboriginal relations Advisor in the city manager's office and work with HR Division to address education and employment awareness gaps, internally linking previous sessions on Aboriginal Awareness to sessions defining systemic and institutional racism and understanding the impacts of racism.
6. Contribute to strategies to advance the organization along the Intercultural Development Continuum as measured by the Intercultural Development Inventory via anti-racism education sessions (either formally or informally)
7. Review the 2004 Cultural Diversity and Race Relations Policy
8. Review policy throughout the City of Saskatoon civil service and an "anti-racism lens" to apply to the development of new policy
9. Develop and provide print resources to interest groups, public and partners  

Approximately 41% of residents indicate they have seen positive changes in attitudes towards racism in Saskatoon over the past few years; this is consistent with 2002.
10. Develop an Anti-Racism Implementation/Communications plan that includes internal anti-racism awareness sessions and public education campaign around the **I am the Bridge** theme.
11. Develop a common vision with other partner and like-minded organizations
12. Follow up to 2014 Anti-Racism Forum
