Comments:

I would like to see some police presence in this particular area of Kelsey Woodlawn. My day starts at 5:30 am and this past week I have noticed a bicyclist hauling another bicycle as he comes out of the backlane. Saturday at 5:23am there were 2 kid on bikes with backpacks and 2 on foot hovering in the area of the strip mall on 33rd and 1st Ave.

I have had graffiti on my shed approx 3 weeks ago and it looks like the neighbourhood was targeted. I am thankful for Kavia Autobody as there is more lighting in the back .

This afternoon while walking my dog a teenager was propped up against my shed. I asked what he was doing and was told he was waiting for somebody. He wondered around Kavia, the strip mall and backlane for a good 20 min.

I honestly believe if it was known this area has officers coming through some of us would feel safer and it might send a message to the up and coming generation of criminals.

Sincerely

Hello

I hope I spelled Dan's last name correct. I would like to let Dan's supervisor know that I have seen him performing his duties over the last while in an very professional way. My wife and I were on Broadway ave when a suspect tried to run away from an arrest. Dan pursued on foot and caught the suspect. The culprit was arrested with no violence by Dan. Today he did a through search @Wiggins park looking for a person described as creepy. He spoke to me each time and I can't help but be impressed by this young officer.

Please add this information to his file.

Hello Police Department Saskatoon

I enjoy catching people when they do things right.

You deserve to be complimented for the great service that your fine officers performed in helping these cute ducklings.

This article appeared in the news as far away as San Diego which is my location.

I am still smiling about your gesture of kind graciousness to this small family.

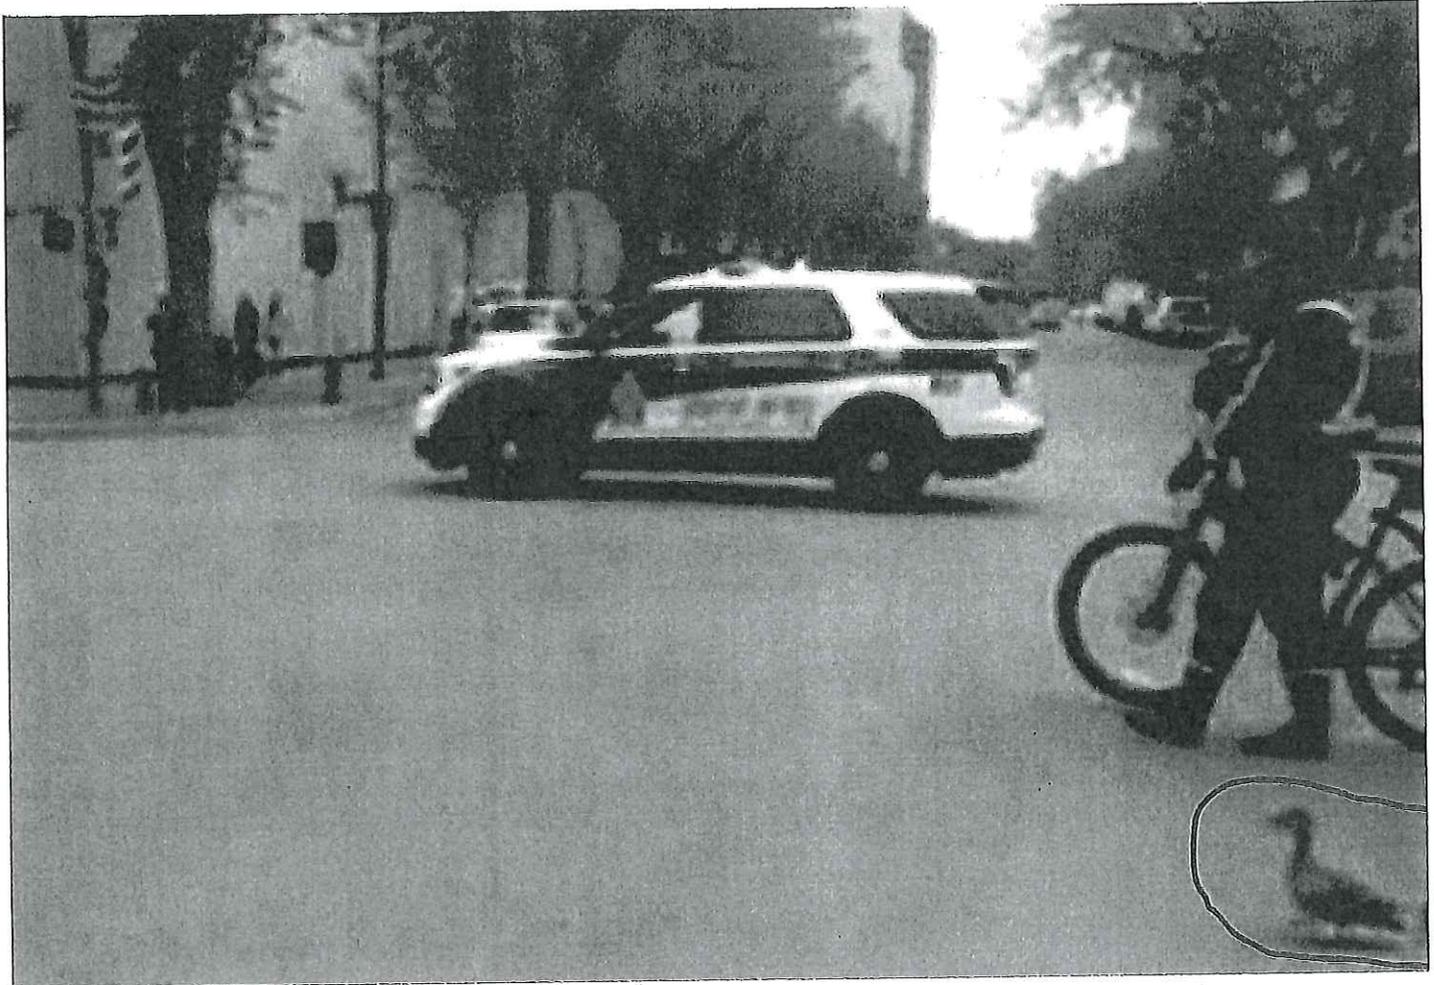

Good for you, men!!

# Saskatoon police stop traffic to escort 1 ducklings to the river

CBC - Saturday, May 14, 2016

Don Somers/CBC - The Saskatoon police bike bike unit escorts a family of ducks a few blocks downtown to the River on May 12, 2016.

Downtown traffic stood still for a few adorable moments in Saskatoon as a family of ducks to the South Saskatchewan River.

While on patrol, the Saskatoon police bike unit discovered nearly a dozen outside the Sturdy Stone Building on the corner of 22nd Street and Third. Officers came out to stop traffic and escort the young family three blocks

I would appreciate if you would forward this to the appropriate person, Department and/or Dept head.

Helen hit a traffic sign(not serious).

Helen was absolutely pleased/impressed with how he spoke to her. " He just could not have been nicer"!!! She was unduly upset when I came home from Kiwanis....and her sincere compliment is perhaps one example of where the officer's mind, heart and attitude made a positive difference in people's lives! 🙏👍

Helen repeated and added: " he was gentle, compassionate, understood how I felt,assured her the damage was slight,etc.

It would seem that he really helped Helen deal with a bad day 😊

**Subject:** Thank You to Sgt. Richard Bueckert

Good morning Donna,

For at least the past 4-5 years Sergeant Richard Bueckert has volunteered his time to coordinate the SPS contingent of volunteers for the Kids and Cops event at the Forestry Farm Trout Pond. This year's event was held on Saturday May 7 from 0800 – 1500 hrs. It was open to kids 16 years and under and this year almost 1500 kids attended including some of Saskatoon's newest citizens.

Sergeant Bueckert was joined by other police volunteers including Dean Gulka, Joanne Smallbones, Tom Taylor, and Chad Malanowich. Please pass on to the Chief my appreciation for the members volunteering their time for a wonderful event that engages the youth in our community.
