GUIDE TO RE-OPENING

for Saskatoon Residents

USE OF MASKS: SASKATOON TRANSIT AND INDOOR CITY FACILITIES

Our community spirit is strong when we work as one community to keep our guard up. We can continue to stop the spread of COVID-19 in our community and protect the health of our family, friends and fellow residents by following the recommended safety precautions, including:

- Stay home if you are not feeling well.
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your face, mouth, nose or eyes with unwashed hands.
- Maintain a two-metre physical distance from others.
- Wear a non-medical mask (e.g. cloth or other materials) when physical distance cannot be maintained.

What you need to know

- Wearing a non-medical mask (e.g. cloth or other materials), even if you have no symptoms, is an additional measure you may take to protect others around you, particularly in situations where the recommended physical distancing cannot be maintained, such as on public transit.
- Saskatoon Transit is requiring all riders to wear a non-medical mask. Requiring masks allows Transit to safely operate full-seated buses.
- The use of a non-medical mask is recommended, but not required, when accessing indoor City-operated facilities and services, such as City Hall or civic Leisure Centres.
- Some people may not be able to wear a mask. Those who masks are not recommended for include:
 - People who suffer from an underlying medical condition or disability which inhibits the ability to wear a face covering;
 - Anyone providing assistance to a person with an underlying medical condition or disability where the use of a nonmedical face mask would hinder the provision of assistance;
 - Anyone unable to place or remove a mask or face covering without assistance;
 - Children under the age of 2 years of age; and
 - First responders in an emergency situation

How this affects you

- All Saskatoon Transit riders will need to wear a mask to ride.
- We encourage the use of a non-medical mask when visiting our indoor City-operated facilities and services, such as City Hall or civic Leisure Centres.
- When you wear a mask, you are helping to protect other people. When other people wear a mask, they are helping to protect you.
