SUBSIDIZED SPAY AND NEUTER PROGRAM

A single, unspayed female cat and her offspring can produce more than 400,000 cats in their lifetimes. Spay and neuter services help control the local pet population and keep pets feeling their happiest and healthiest.

The Subsidized Spay and Neuter Program is available to assist low income pet owners who could not otherwise afford veterinary services to have their pet spayed or neutered. For more information about the Subsidized Spay and Neuter Program, visit saskatoon.ca/animalservices
