SNOW REMOVAL SERVICE BACK TO SNOW-RMAL!

Saskatoon isn't soon going to forget last November's extreme snowstorm and the first year in decades that snow removal happened on residential streets! Well, it's back to snow-rmal! When more than 5 cm of snow falls, a Snow Event is declared and City crews and equipment clean-up the freeways, arterial and collector streets within 72 hours. City-facility sidewalks, parks and bridge walkways are graded within 48 hours. Remember, residential streets only get graded if we get 25 cm in ONE day!

Look-up your address on our priority street snow grading map to see if snow grading happens on your street after a snow event at saskatoon.ca/snow

Thanks snow much, Saskatoon!
