## 20. ENVIRONMENTAL SUSTAINABILITY RESERVE

### 20.1 Purpose

The purpose of the Environmental Sustainability Reserve is to provide a source of funding for environmental sustainability initiatives, including emissions reduction (mitigation), improved resiliency (adaption) and other environmental sustainability initiatives.

### 20.2 Source of Funds

This Reserve shall be funded from an annual operating contribution from the City's operating budget. In addition, the Reserve shall be funded from the savings or additional revenue from the green loans or other sustainability initiatives.

### 20.3 Application of Funds

The funds in this Reserve will be used to fund projects prioritized through criteria relating to greenhouse gas reduction, improved resiliency, green infrastructure support or enhancement, and other environmental sustainability benefits.

### 20.4 Responsibility

The Reserve will be managed by the General Manager, Utilities and Environment Division, or designate.

## 21. ERRORS AND OMISSIONS LIABILITY RESERVE

### 21.1 Purpose

To provide the City with a source of funding for claims for economic loss that arise from errors and omissions made by civic officials. In reviewing our loss history to premium payments ratio for Errors and Omissions Liability insurance, it became apparent that the insurance coverage provided was not cost effective. The Errors and Omissions Liability Reserve was approved to provide a reserve funded in the same way as the previous insurance policy.

## 30.3 Application of Funds

The Reserve shall be used to finance a deficit in impound operations, arising when actual expenditures for the program exceed the actual revenues on a yearly basis. Funds may also be used to finance non-cyclical costs associated with programming needs, equipment, or special projects.

## 30.4 Reserve Balance Limitation

The balance of the Reserve shall be capped at 100% of the current year's budgeted operating expenses.

Should the Reserve surpass the established ceiling for more than three consecutive years, Administration will revisit the existing Impound Fees, review forecast volumes, and make appropriate recommendations to modify the fees. During the three-year period the surplus will remain in the Reserve.

## 30.5 Responsibility

The General Manager, Community Services Division or designate shall administer the Reserve.

All expenditures qualifying as capital projects require City Council approval.

## 31. INTEREST STABILIZATION RESERVE

### 31.1 Purpose

To smooth out the effects on the City's general operating revenues of fluctuations arising from variations in interest rates and available funds for short-term investment.

### 31.2 Source of Funds

The provision may be equal to any year-end surplus in excess of budget arising from the year's operating revenue, less operating expenditures, in the City's General Revenue related to interest.

- a) The Reserve may be used to finance unfavourable budget variances from the year's operating revenue, less operating expenditures, in the City's General Revenue related to interest.
- b) An amount can be included in the operating budget to smooth out fluctuating investment returns as recommended by Administration and approved by City Council in the budget.

## 31.4 Responsibility/Authority

The Director of Finance shall have authority to affect a year-end transfer of any positive amount arising from the year's operating revenue, less operating expenditures in the City's General Revenue, related to interest to the Interest Stabilization Reserve.

## 32. INTERNAL AUDIT PROGRAM RESERVE

### 32.1 Purpose

To provide a source of funding for the Internal Audit program, including both the projects on the approved annual internal audit plan as well as supplementary projects approved under *Council Policy No. C02-032 - Internal Audit Charter*.

### 32.2 Source of Funds

This Reserve shall be funded from the annual Operating Budget in an amount equal to any unexpended funds in the City's Internal Audit Program.

### 32.3 Application of Funds

The funds in this Reserve will be used to fund the projects approved in the annual internal Audit Plan and/or consulting projects approved by the Standing Policy Committee on Finance in accordance with *Council Policy No. C02-032, - Internal Audit Charter*.

The Internal Audit Program Reserve will be managed by the City Auditor.

## 33. LAND OPERATIONS RESERVE

### 33.1 Purpose

To accumulate funds for the purpose of offsetting any operating deficits, incurred in any year, resulting from lower land sales.

### 33.2 Source of Funds

Provision from the annual Operating Budget equal to any positive amount arising from the year's cost recovery minus operating expenditures for the City's Land Management Program.

### 33.3 Reserve Balance Limitation

The balance of the Land Operations Reserve shall not exceed one and a half times the annual operation budget of the Saskatoon Land Department. Funds in excess of this amount shall be transferred to the Property Realized Reserve at year end.

### 33.4 Application of Funds

Funds may be used to finance any deficits arising when operating expenditures exceed cost recoveries for the City's Land Management Program.

## 34. LEGAL OPINION – MEMBERS OF COUNCIL RESERVE

### 34.1 Purpose

To provide a source of funding for initial legal opinions for members of City Council on issues that may arise from their duties as members of City Council, where the City Solicitor's Office does not provide legal advice.

This Reserve shall be funded by annual provisions authorized in the City's Operating Budget.

## 34.3 Application of Funds

The funds from this Reserve shall be used for an initial legal opinion for members of City Council on a matter which has arisen as part of their role as a member of City Council, in one of the following areas:

- a) whether a member of City Council should be declaring a conflict of interest and abstaining from voting on a matter before City Council; and/or
- b) in other circumstances, where the Governance and Priorities Committee agrees that the City Solicitor is unable to provide legal advice to an individual member of City Council.

The maximum amount to be paid for each legal opinion is \$2,500.

## 34.4 Responsibility

The City Clerk will be responsible for administration of the Reserve.

## 35. PARK ENHANCEMENT RESERVE

### 35.1 Purpose

To provide a source of funds to finance enhancements in neighbourhood, district, multi-district, or special use parks.

### 35.2 Source of Funds

The annual provision to the Reserve shall be the amount authorized by City Council through the Operating Budget.

The projects considered under the park enhancement program will be cost-shared with Community Associations and/or City-wide non-profit recreation, cultural and sports organizations. Specific project approval will be at the discretion of the General Manager, Community Services and in accordance with the City's park development guidelines. All expenditures qualifying as capital projects are reflected in the City's Capital Budget/Capital Plan and require City Council approval.

## 36. PARKS GROUNDS MAINTENANCE STABILIZATION RESERVE

### 36.1 Purpose

To accumulate funds for the purpose of offsetting any over expenditures in the City's grounds maintenance budgets attributable to variations in normal summer weather conditions, thereby stabilizing the effect of weather variations on the mill rate and on the City's year-end financial position.

### 36.2 Source of Funds

In years where the expenditures of the Parks Maintenance and Design Service Line are less than the approved budget, the unexpended funds will be transferred to the Parks Grounds Maintenance Stabilization Reserve at year end. The balance of the Parks Grounds Maintenance Stabilization Reserve shall not exceed a value equal to the Parks Maintenance and Design Service Line component of the annual budget.

### 36.3 Application of Funds

- a) The Reserve shall only be used to finance unanticipated over expenditures arising when actual Parks Maintenance and Design Service Line operating expenditures exceed budgeted grounds maintenance expenditures due to variations in normal summer weather conditions.
- b) Withdrawals from the Reserve shall be subject to City Council approval.

## 38. RECREATION, SPORT, CULTURE, and PARKS PARTNERSHIP RESERVE

### 38.1 Purpose

To provide a source of funds to finance both major and minor partnership project opportunities for recreation, sport, culture, and parks capital projects connected to City of Saskatoon Recreation and Parks Master Plan or Recreation and Parks Facilities Game Plan priorities.

### 38.2 Source of Funds

The annual provision to the reserve shall be the amount authorized by City Council through the operating budget.

### 38.3 Application of Funds

The projects considered under the partnership capital funding program will be cost shared with registered non-profit recreation, culture, or sport organizations.

Projects being proposed by organizations that are not registered non-profit may be considered on a case-by-case basis where public and community good is clearly demonstrated.

Major capital projects must be new facilities, renovations, or expansions of facilities. The reserve will not fund other components such as feasibility or fundraising studies.

### 38.4 Eligibility Requirements

- a) Eligible applicants will be restricted to registered non-profit or charitable organizations based in Saskatoon.
- b) Must demonstrate leverage of other sources of funding for this project.
- c) Will be for one-time projects, not ongoing funding.
- d) Organizations must be willing to sign a contribution agreement that includes a commitment to ongoing community access and addressing accessibility physically, financially, and culturally.

  - i) Major Partnership Capital Grants (maximum \$5.0 million);  
and
  - ii) Minor Partnership Capital Grants (maximum \$500,000).

## 38.5 Major Partnership Capital

- a) For capital projects greater than \$3.0 million.
- b) Projects planned in advance and connected to the City's capital and operating budget submissions and approvals.
- c) Partner contribution must be at a ratio of 3 to 1 or greater than that of the City's contribution. The City's contribution will be to a maximum of 25% of the total project cost for City-owned facilities or facilities built on City-owned land and to a maximum of 10% for non-City facilities (not to exceed the \$5.0 million maximum).
- d) Could be used to purchase additional land for contribution to a partnership project.
- e) Partner must guarantee community access to the sport, recreation, or culture facility for the life of the facility.
- f) Partner must demonstrate a connection to ways in which the project is contributing toward achieving the priorities and recommendations of the City's Recreation and Parks Master Plan.

## 38.6 Minor Partnership Capital

- a) For Capital projects up to \$3.0 million.
- b) 30% of the total project cost, up to a maximum of \$500,000.
- c) Applications to be received through an application process that includes a formal project overview.

## 38.7 Forms of Contribution

- a) Minor and major forms of contribution can be:
  - i) a grant paid in cash with payment disbursements to be determined based on project scope and timing; or
  - ii) land or other City services in kind.
- b) Any contribution of City land or other services in kind is considered to form part of the City's contribution and, in total, will not exceed the contribution limits noted above.

## 38.8 Responsibility

The reserve will be managed and applications adjudicated by the Community Services Division, which will establish detailed criteria for the adjudication of partnership project business plans and/or funding applications.

For the minor partnership projects, the Administration is delegated authority up to \$150,000. Awards greater than \$150,000 require approval of the Standing Policy Committee on Planning, Development and Community Services.

For major partnership projects, the submission of a formal business plan complete with details on the specific request for funding and services from the City, as applicable, is required.

Awards are approved by City Council as recommended by the Community Services Division.

To finance any costs related to incentives in the Vacant Lot and Adaptive Reuse Incentive Program.

### 45.2 Source of Funds

Residual funds (the difference between the maximum incentive amount minus the earned incentive amount) as collected through the incremental property taxes will be placed in this Reserve.

### 45.3 Application of Funds

Funds in the Reserve shall be used only for expenditures for the purposes listed in Section 45.1.

### 45.4 Responsibility

Direct expenditures that qualify as an incentive under the Vacant Lot and Adaptive Reuse Program may be authorized by the General Manager, Community Services Division.

## 46. VEHICLE FOR HIRE STABILIZATION RESERVE

### 46.1 Purpose

- a) To accumulate funds for the purpose of offsetting any deficits in the Vehicle for Hire Program.

- b) To stabilize the effect annual fluctuations in revenues and expenditures have on the mill rate; and
- c) To provide a source of funds to finance unexpected or non-cyclical costs associated with programming requirements, equipment and special projects.

## 46.2 Source of Funds

The provision shall be a yearly balancing item which will equal any positive amount arising from the year's operating revenues minus operating expenditures for the Vehicle for Hire program.

## 46.3 Application of Funds

The Vehicle for Hire Program Stabilization Reserve shall be used to finance a deficit in the Program, arising when actual expenditures exceed the actual revenues on a yearly basis. Funds may also be used to finance non-cyclical costs associated with programming needs, equipment, or special projects.

## 46.4 Responsibility

The General Manager, Community Services Division or designate shall administer the Reserve.

All expenditures qualifying as capital projects require City Council approval.

## 47. WASTE MINIMIZATION RESERVE

### 47.1 Purpose

To accumulate funds for the purpose of funding pilot projects or to supplement existing programs related to waste minimization initiatives by the Environmental Health Business Line.

## 47.2 Source of Funds

Funding received for the purposes of waste reduction and diversion that are not applied to operating programs will be transferred to the Reserve. This includes funding received through stewardship programs. Amounts in the Waste Utilities Stabilization Reserve that exceed the allowable balance in Section 13.3, will also be transferred to the Reserve.

## 47.3 Application of Funds

The Reserve shall be used to fund waste minimization pilot projects and community-based initiatives that fall within the purview of the City's Solid Waste Reduction and Diversion Plan, to supplement such initiatives funded in the approved operating budget, or as a source of related capital budget funding. The projects may include feasibility work, research, studies, and commissioning costs. Any ongoing programs or program enhancements resulting from the projects will be included in the appropriate operating budget. The Reserve may also be used to fund capital projects related to waste minimization such as construction of a waste recycling/storage facility.

## 47.4 Responsibilities

The Standing Policy Committee on Environment, Utilities and Corporate Services shall monitor this Reserve and make recommendations to City Council concerning any further policy development of this Reserve.

## 48. GENERAL RESPONSIBILITIES

### 48.1 Director of Finance, Corporate Financial Services Division

- a) Administers, unless otherwise specified, all reserves and funds identified in this Policy;
- b) Updates and administers this Policy; and
- c) Provides City Council, annually, with year-end status reports and a five-year plan on the application of funds from all reserves.
