

COVID-19 RESPONSE

for Saskatoon Residents

Effective September 1, 2021

We can stop the spread of COVID-19 in our community and protect the health of our family, friends and fellow residents by continuing to follow important safety precautions:

- Masks are required on Saskatoon Transit and in all indoor places, including inside civic facilities such as City Hall and leisure facilities.
- Wear your mask properly - covering your nose, mouth and chin with a fit that is tight to the face.
- Please respect those who may not be able to wear a mask.
- Stay home if you are not feeling well.
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your face, mouth, nose or eyes with unwashed hands.
- Maintain a two-metre physical distance from others.
