COVID-19 RESPONSE

for Saskatoon Residents

Our community spirit is strong when we work as one community to keep our guard up. We can continue to stop the spread of COVID-19 in our community and protect the health of our family, friends and fellow residents by following important safety precautions, including:

- Stay home if you are not feeling well.
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your face, mouth, nose or eyes with unwashed hands.
- Maintain a two-metre physical distance from others.
- Wear a non-medical mask (e.g. cloth or other materials).
- Plan to get your vaccine when you're eligible.

What you need to know

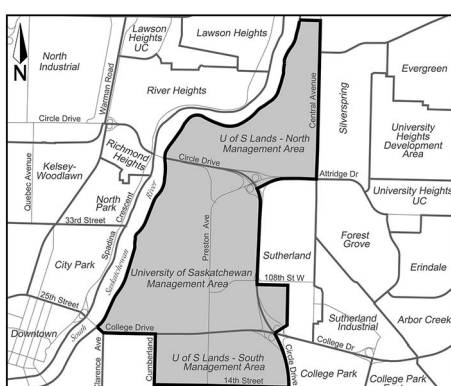

- It is mandatory to wear a mask on Saskatoon Transit and in all indoor public places, including inside civic facilities such as City Hall and leisure facilities.
- Some people may not be able to wear a mask. Those who masks are not recommended for include:
 - Children under the age of 2;
 - Anyone who is unconscious, incapacitated or otherwise unable to remove the mask without assistance;
 - Persons engaging in aquatic fitness activities.

PUBLIC NOTICE

UNIVERSITY SECTOR PLAN

Saskatoon City Council will consider the adoption of the University Sector Plan. The University Sector Plan outlines a vision for future urban development in the University of Saskatchewan (USask) endowment lands. The University Sector Plan is a long-range plan that will provide a framework for future growth.

The City of Saskatoon's (City) Strategic Plan identifies a long-term vision of increased infill development to achieve the Strategic Goal of Sustainable Growth. USask has designated some of its endowment land holdings for strategic infill growth, aligning with the City's vision for infill growth, making this area one of the most significant component of the City's growth initiative.

The University Sector Plan is a comprehensive report outlining high-level strategies for land use, open space, utility servicing, environmental considerations, mobility and phasing.

The proposed University Sector Plan is available for viewing on saskatoon.ca/engage/university-sector-plan
