- i. To amend Section 11 to provide clarity that the agricultural residential policies in this section are applicable to agricultural residential subdivision applications on lands with any designation on Schedule B – District Land Use map, not just lands designated Agriculture.
- ii. To amend Sections 12 and 31 to create a process whereby existing hamlets or multi-parcel country residential subdivisions can submit a Comprehensive Development Review in support of re-subdividing existing lots, creating additional residential density beyond the original subdivision plan.
- ii. To amend Section 17 to clarify the density provisions in the Green Network Study Area, ensuring the wording is consistent with other sections of the P4G OCP by referring to subdivisions for discretionary uses and clarifying the number of sites permitted on an 80-acre parcel.
