COVID-19 RESPONSE

for Saskatoon Residents

Our community spirit is strong when we work as one community to keep our guard up. We can continue to stop the spread of COVID-19 in our community and protect the health of our family, friends and fellow residents by following important safety precautions, including:

- Stay home if you are not feeling well.
- Wash your hands often with soap and water; if soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your face, mouth, nose or eyes with unwashed hands.
- Maintain a two-metre physical distance from others.
- Wear a non-medical mask (e.g. cloth or other materials).

What you need to know

- It is mandatory to wear a mask on Saskatoon Transit and in all indoor public places, including inside civic facilities such as City Hall and leisure facilities.
- Some people may not be able to wear a mask. Those who masks are not recommended for include:
 - Children under the age of 2;
 - Anyone who is unconscious, incapacitated or otherwise unable to remove the mask without assistance;
 - Persons engaging in aquatic fitness activities.
