Get ready to vote, Saskatoon!

On November 13, 2024, eligible voters will cast their ballots for Saskatoon’s local government leadership for the next four-year term. The City of Saskatoon is your local government, also known as municipal government.

Your local government plays an important role in delivering essential services and addressing the unique needs of our community.

The City of Saskatoon provides a wide variety of civic services that impact almost every aspect of your daily life.

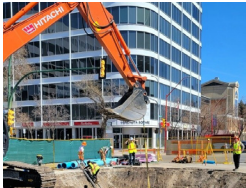

From police and fire emergency services to road and sidewalk maintenance, water and waste water, parks, recreation and community services, affordable housing, arts, culture, event venues and more - the vision and decisions made by your local city council directly influence your quality of life in Saskatoon.

Think about the future of Saskatoon and what matters most to you in your community.

Make your vote, count.

Orders of Government in Canada: Responsibilities

In Canada, we have three orders or levels of government that Canadian citizens elect political representatives for: **municipal, provincial and federal**. Each level has different responsibilities, and they are often shared across levels of government as they work together.

When it comes to defining the responsibilities held by each level of government, there can be confusion about which level is accountable for an area’s administration and decision-making.

MUNICIPAL GOVERNMENT

The City of Saskatoon’s powers are defined by *The Cities Act, SS 2002, c C-11.1*

The City of Saskatoon is your local government, also known as municipal government.

Decisions made by your municipal government directly impact your quality of life and community more than any other level of government as the many core services provided are those, we rely on every day. The City of Saskatoon is responsible for these areas and/or services, and more:

- | | | |
|---|--|------------------------------------|
| LOCAL POLICING AND FIRE PROTECTION | PARKING SERVICES | CITY HALL CITIZEN SERVICES |
| LOCAL ROAD/BRIDGE MAINTENANCE | LEVY MUNICIPAL PROPERTY TAX | WASTE MANAGEMENT, RECYCLING |
| UTILITIES (Water, Waste Water & Treatment) | LOCAL PARKS & PLAYGROUNDS (Except School Sites) | LAND USE PLANNING (Zoning) |
| SNOW MANAGEMENT | RECREATION CENTRES & COMMUNITY FACILITIES | LOCAL ANIMAL CONTROL |
| PUBLIC TRANSIT/ACCESS TRANSIT | | |

PROVINCIAL GOVERNMENT

The Government of Saskatchewan’s powers are defined by *The Constitution Act, 1867*.

The Government of Saskatchewan, or provincial government, provides services across the province and is responsible for these areas and/or services, and more:

- | | | |
|--|---|---------------------------------------|
| TRANSPORTATION & HIGHWAYS | SOCIAL SERVICES | DRIVER & VEHICLE LICENSING |
| PROVINCIAL LAW & COURTS | ADMINISTRATION OF EDUCATION – SCHOOLS, INCLUDING BUILDING THEM | ENERGY & NATURAL RESOURCES |
| ADMINISTRATION OF HOSPITALS & HEALTHCARE | SUPPORTS FOR EMPLOYEES AND EMPLOYERS | HUMAN RIGHTS |
| COLLEGES & UNIVERSITIES (Post-Secondary Institutions) | PROVINCIAL PORTION OF PROPERTY TAX (Education Tax) | ENVIRONMENT |

FEDERAL GOVERNMENT

The powers held by the federal government are defined by *The Constitution Act, 1867*.

The Government of Canada, also known as federal government, provides services across the country and is responsible for these areas and/or services, and more:

- | | | |
|--------------------------------------|--|----------------------------------|
| MILITARY/NATIONAL DEFENSE | ADMINISTRATION OF STUDENT LOANS | FISHERIES |
| INDIGENOUS LANDS & RIGHTS | AIRPORTS, INTERNATIONAL TRAVEL, PASSPORTS | FEDERAL INCOME TAX |
| RCMP, CRIMINAL LAW | CHILD BENEFITS | IMMIGRATION & BORDERS |
| VETERAN AFFAIRS | MORTGAGES | POSTAL SERVICES |
| TELECOMMUNICATIONS POLICY | EMPLOYMENT INSURANCE | CURRENCY |
| | INDIGENOUS SERVICES | |

INDIGENOUS SELF-GOVERNMENT

Across Canada, Indigenous peoples have an inherent right of self-government. Indigenous governments are working to make their own choices about how to deliver programs and services to their communities through various agreements with multi-levels of government.

Elections Saskatoon

- provide alternate voting method options to help eliminate barriers to voting so that every eligible voter has the opportunity to vote in the 2024 Civic Election

Saskatoon has continued to grow, technology has changed and continues to improve, and the voting public expect more voting options. Elections Saskatoon is committed to supporting a modernized civic election through election best practices and legislation.

USE OF AN ELECTRONIC VOTERS LIST

Elections Saskatoon has adopted the use of an electronic Voters List in this election for the ease of voting and to help provide a faster, more efficient experience for voters who have pre-registered.

The Voters List provides an effective way to confirm/verify a voter's identity. Use of a Voters List enables Elections Saskatoon to update the voting record and it serves to protect the integrity of the voting process by ensuring only eligible voters are given access to a ballot and are only able to vote one time.

The 2024 Voters List was compiled from data provided by **Elections Saskatchewan** in partnership with **Elections Saskatoon** to conduct the 2024 Civic Election. Residents were encouraged to visit the Election Saskatoon website before October 22, 2024, email, phone or visit in person to update their information or confirm that it was correct.

Voters List: Important To Know

If you did not get a chance to register for the Voters List before October 22, 2024, not to worry. You will fill out your Voter Registration Form at the polling location you attend.

Here is what will happen at the voting location you attend with respect to the Voters List:

- When you go to your polling place with acceptable ID and present it to the Poll Official, they will confirm if your name is on the Voters List.
- If your name is not on the Voters List, the Poll Official will ask you to fill out a Voter Registration Form and you will be issued your ballot.
- If your name is on the Voters List, the Poll Official will confirm your eligibility and school support and issue your ballot.
- This will be the process at all polling places, Advance Polls, Drive-Thru Voting and on Election Day.

What if English is Your Second Language?

Elections Saskatoon is committed to removing barriers to voting.

Elections Saskatoon committed to hiring election workers who speak additional languages other than English to reflect Saskatoon's diverse community.

Ask if any Elections Saskatoon officials speak your language and watch for the special language badges they'll be wearing. You can bring your own translator to assist you in voting. Your translator will need to complete the Declaration of Interpreter form at the poll.

Here's What to Expect on Election Day

- 1** When you arrive at your designated polling place on Election Day, an Elections Saskatoon worker will greet you and determine if you are at the correct voting place for your neighbourhood **(at Advance Polls you can vote at ANY location)**.
- 2** Another Elections Saskatoon official will ask you to show your identification to establish your name and address. To make the process faster, provide your 6-digit Voter ID also if you know it from pre-registering.
- 3** You will then be marked off the Voters List as voted, and then issued your ballot in a secrecy sleeve.
- 4** Go behind the voting screen. Mark your ballot by filling the oval space by the candidates of your choice with the pen provided.
- 5** Insert your ballot into the secrecy sleeve used to maintain the privacy of your vote.
- 6** Hand the secrecy sleeve to the last Elections Saskatoon official who will insert your ballot into the vote counting machine.

**That's it. You will have made your vote count in the 2024 Civic Election.
CONGRATULATIONS!**

Important! New 2024 Ward Boundary Changes

Ward Boundary Changes

Two neighbourhoods have changed wards.

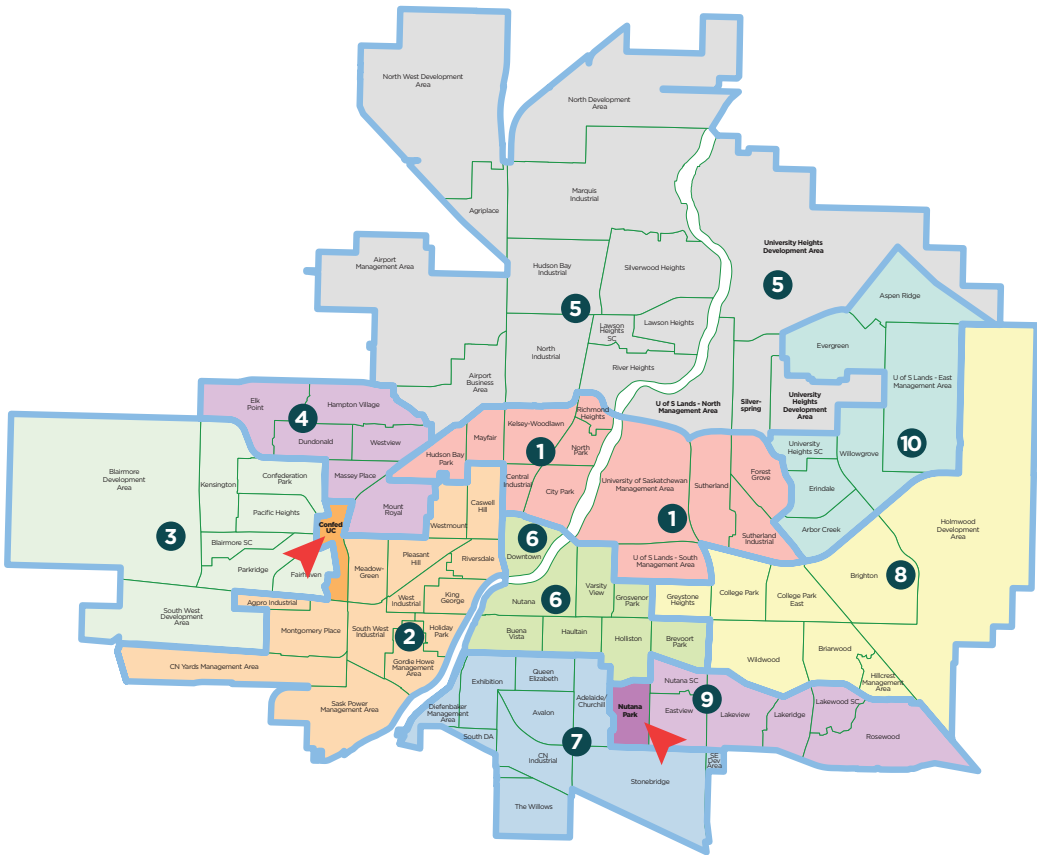

In 2023, the Municipal Wards Commission established new ward boundaries. The Commission's review is a legislated requirement under *The Cities Act*, which must be undertaken every four years prior to the civic election to meet legislated population variance requirements.

The new ward boundaries take effect with the 2024 municipal and school board elections.

What does this mean?

Some neighbourhoods have changed wards. Voters, you need to know the ward you belong to, so you know which candidate to vote for. If you live in one of these wards listed below, you will vote in your new ward for the 2024 Civic Election.

Voters, enter your address at saskatoon.ca/mypoll to confirm the WARD you belong to and VOTING LOCATION you must attend if you are voting on Election Day, November 13, 2024.
