## Discretionary Use Application – Parking Station – 1304 22nd Street West

### Recommendation

That a report be forwarded to City Council recommending that at the time of the public hearing, the application submitted by Avenue Architecture, requesting permission to develop a parking station at 1304 22<sup>nd</sup> Street West, be approved, subject to the following conditions:

1. That the applicant obtain a Development Permit and all other relevant permits and licenses; and
2. That the final plans submitted be substantially in accordance with the plans submitted in support of this Discretionary Use Application.

### Topic and Purpose

The purpose of this report is to consider a Discretionary Use Application from Avenue Architecture, on behalf of Taco Bell Canada, to develop a parking station located at 1304 22<sup>nd</sup> Street West.

### Report Highlights

1. The parking station proposed at 1304 22<sup>nd</sup> Street West includes access from Avenue M North and contains seven parking spaces.
2. The proposed parking station meets all applicable Zoning Bylaw No. 8770 (Zoning Bylaw) requirements.

### Strategic Goal

This application supports the City of Saskatoon’s (City) Strategic Goal of Economic Diversity and Prosperity, as the development of a parking station in support of a proposed restaurant promotes investment along commercial corridors.

### Background

The property located at 1304 22<sup>nd</sup> Street West is a vacant site located in the Westmount neighbourhood and is zoned B3, Medium Density Arterial Commercial District, under the Zoning Bylaw (see Attachment 1). A parking station is considered a discretionary use in the B3 District. Avenue Architecture has submitted an application requesting City Council’s approval to develop a parking station at this location.

### Report

#### Zoning Bylaw Requirements

The Zoning Bylaw defines a parking station as “a site used for the parking of private passenger vehicles when such parking is ancillary to a permitted principal use located on an adjacent or nearby site.” The applicant is proposing to develop this parking station in conjunction with an application for a restaurant by Taco Bell Canada on the adjacent site. The site will be suitably landscaped and paved and will include seven parking spaces. The parking spaces will be

additional to the required parking for the restaurant located on the restaurant site. A site plan is included as Attachment 2.

### **Conclusion**

The proposed parking station at 1304 22<sup>nd</sup> Street West meets all applicable Zoning Bylaw provisions and is not anticipated to have any significant impact on surrounding land uses.

No concerns were noted by other divisions that would preclude this application from proceeding; refer to Attachment 3 for the full remarks.

### **Options to the Recommendation**

City Council could deny this Discretionary Use Application. This option is not recommended, as the proposal complies with all applicable Zoning Bylaw requirements and has been evaluated as a discretionary use, subject to the provisions of Section 4.7 of the Zoning Bylaw.

### **Public and/or Stakeholder Involvement**

Notices to property owners within a 75 metre radius of the site, as well as the Westmount Community Association, were mailed out in November 2016, to solicit feedback on the proposal. To date, one letter of support has been received from a nearby commercial property owner. A public information meeting was not deemed necessary based on the feedback received from the public notice. A community engagement summary is included as Attachment 4.

### **Communication Plan**

No further communication is planned beyond the stakeholder involvement noted above and the required notice for the public hearing.

### **Other Considerations/Implications**

There are no policy, financial, environmental, privacy, or CPTED implications or considerations.

### **Due Date for Follow-up and/or Project Completion**

No follow-up is required.

### **Public Notice**

Public notice is required for consideration of this matter, pursuant to Section 11(b) of Public Notice Policy No. C01-021.

Once this application has been considered by the Municipal Planning Commission, a date for a public hearing will be set. The Community Services Department will give notice, by mail, to the Westmount Community Association and assessed property owners within 75 metres of the subject site. Notification posters will also be placed on the subject site.

**Comments from Internal Administrative Review for Discretionary Use Application  
Parking Station – 1304 22<sup>nd</sup> Street West**

1. Transportation and Utilities Department Comments

The proposed Discretionary Use Application is acceptable to the Transportation and Utilities Department. Following are requirements after discretionary use approval and prior to development permit approval:

- The area has been designed with 30% hard surface development; therefore, paving these lots to asphalt will result in more runoff volume than the stormwater management system can accommodate. Therefore, it is recommended that stormwater management practices, such as on-site storage or Low-Impact Developments (LID), be incorporated into the parking lot design to manage excess runoff.
- The existing water and sanitary service connections must be cut off as per City of Saskatoon standards.
- All driveway crossings will require a separate permit.

2. Neighbourhood Planning Section Comments

The Westmount Local Area Plan (LAP) was adopted by City Council on June 27, 2011. The LAP supports future development of underutilized commercial sites along the 22<sup>nd</sup> Street corridor and notes that:

“Westmount contains 39 sites with commercial (B) zoning, 34 of which are located along the 22<sup>nd</sup> Street West commercial corridor. While other parts of 22<sup>nd</sup> Street West have experienced significant commercial development, Westmount has not.” (p. 51)

A reference in the LAP to a new hotel that was being constructed on 22<sup>nd</sup> Street also applies to this nearby proposed development:

“While it is too early to gauge the impact this project will have on the 21 remaining underutilized commercial sites in Westmount, it is a positive example of possible future development along this corridor and represents an excellent opportunity for employment within the neighbourhood. Other underutilized sites along this corridor have recently been listed for sale which is a sign of potential development interest. The redevelopment of these commercial sites, both for commercial and mixed uses, is a goal of the Westmount LAPC.” (p. 51) (LAPC being the Local Area Planning Committee)

The Neighbourhood Planning Section supports investment along commercial corridors and views the proposed restaurant as a positive economic development and a new employment opportunity for the Westmount neighbourhood. Providing additional stalls on the adjacent parking station will benefit customers and reduce impact on nearby local streets.

Note: The applicant has been informed of, and agrees to, the above requirements.

Your Worship and Members of City council:

**Re: Cultural Diversity and Race Relations Month Proclamation and Flag Raising.**

As you are aware, the United Nations has designated March 21 as "International Day for the Elimination of Racial Discrimination."

I am writing on behalf of the City of Saskatoon Cultural Diversity and Race Relations Office and Committee, to request that City Council declare March 2017 as "Cultural Diversity and Race Relations Month" in Saskatoon. We would also like permission to raise our Cultural Diversity and Race Relations Flag in front of City Hall at our Opening Ceremony on March 1, 2017 and to have the flag flying during the entire month of March.

City Council's granting of these requests in past years has presented a great opportunity for public awareness programs and community participation. The Cultural Diversity and Race Relations Committee and several other organizations in Saskatoon, are planning a number of activities that will take place throughout the month of March. Your continued support of these initiatives is greatly appreciated!

Dear Sir / Madam:

Canada's 15<sup>th</sup> annual **Rail Safety Week** will be held from April 24 to 30, 2017. As you know, the purpose of this national event is to raise awareness about rail safety, and to highlight the ongoing commitment of communities such as yours, along with rail companies and their employees, in making Canada's rail network even safer.

Last year, your council joined the safety efforts of many other Canadian municipalities by adopting a resolution in support of **Rail Safety Week**. Once again this year, **Operation Lifesaver** is proud to be supporting the rail safety activities and events that will be taking place across the country throughout this important week. These events will emphasize the need for railways, communities and members of the public to work together to prevent the avoidable accidents, injuries and damage caused by collisions at level crossings, and incidents involving trains and citizens.

Your council can continue to be a powerful ally for our public awareness campaign by adopting the enclosed draft resolution to support **Rail Safety Week** in your community. Should you require additional information about Operation Lifesaver and rail safety, please consult [www.operationlifesaver.ca](http://www.operationlifesaver.ca).

Thank you in advance for your continued support of **Rail Safety Week**. We would greatly appreciate it if you would send us a copy of your resolution, and keep us informed of how you will be promoting rail safety in your community this year.

Dear Mayor Clark and City Council:

Since 1978, September has been observed as International Childhood Cancer Awareness Month. Gold is the International awareness ribbon colour which represents all forms of childhood cancer.

My daughter, Tegan, was one of the 1600 Canadian children diagnosed with cancer in 2011. She was just 2 years old at the time, and endured 26 months of harsh chemotherapy treatments, all at the Saskatoon Cancer Centre. Today, she is a happy and healthy 8 year old! We are part of a close knit local pediatric oncology community who fight daily for a children's lives and to spread awareness of the impact this horrible disease has on our community.

The emotional, physical and financial toll that cancer causes young families is terrible. Typically one parent has to spend weeks or months accompanying their child to treatments. 2 of every 10 Canadian children diagnosed do not survive five years after diagnosis. Cancer is the leading cause of death among children age 1-19 in Canada. Many more die in years 6-10 post diagnosis but sadly they are classed as survivors. 90% of survivors have at least one serious health concern before they reach their 40's, the harsh side effects of decades old adult cancer treatments watered down for kids and a dramatically increased risk of developing a secondary cancer.

I humbly request that the City of Saskatoon support our local pediatric oncology community through the following actions:

- 1. We request that September 2017 be recognized as Childhood Cancer Awareness Month in Saskatoon; on behalf of Childhood Cancer Canada (charitable registration number # 13189 7654 RR0001)
- 2. We request that there be a flag raising for Childhood Cancer Awareness Month for September 2017 (September 1 – 30, 2017). We have a custom flag ready for such an occasion.
- 3. We request that the Prairie Wind Monument at River Landing be lit gold/yellow for September 2017 in recognition of Childhood Cancer Awareness Month.

Our goal through raising awareness is to have our Saskatoon community know that childhood cancer is in our community and that we need funds for research as our children are indeed our future.

Thank you in advance for your time and consideration of this request.

Sincerely,

Jennifer Lyster

**Re: Jeux du Canada Games Flag Relay Proclamation - February 28 to March 8, 2017**

On July 28, 2017, the Canada Summer Games will be held in Winnipeg, Manitoba. In celebration and preparation of this national event, a nation-wide Jeux du Canada Games Flag Relay will be held in past host communities. Saskatoon hosted the 1971 Winter Games and the 1989 Summer Games. The 2017 Jeux du Canada Games Flag Relay will be bigger and better than ever, as the 50<sup>th</sup> Anniversary of the games is celebrated.

The flag relay will kick off in Quebec City on February 11, 2017, and will travel across Canada to each of the past host communities, ending with a grand finish at the opening ceremonies of the Canada Summer Games in Winnipeg on July 28, 2017.

Saskatoon will host the Jeux du Canada Games Flag Relay from February 28 to March 8, 2017.

The City of Saskatoon's Community Services Department, in partnership with Saskatchewan Polytechnic Recreation and Community Development students, Saskatchewan Athletics, and the Saskatchewan Soccer Association, will be offering special events to celebrate the games and the legacy of being a past host, as well as to promote the benefits of sport.

In support of the Jeux du Canada Games Flag Relay, the Community Services Department requests that City Council proclaim February 28 to March 8, 2017, as Jeux du Canada Games Flag Relay in the city of Saskatoon. It is also requested that the Jeux du Canada Games flag be raised and flown at City Hall from February 28 to March 8, 2017.

Thank you,

Your Worship and City Councillors,

**Re: Proclamation of Water Week – March 20 to 26, 2017**

Saskatoon Water and Water & Waste Stream request that the week of March 20 to 26, 2017, be proclaimed **Water Week** in Saskatoon, in conjunction with Canada Water Week and World Water Day, which is Wednesday, March 22, 2017.

The City of Saskatoon and communities across Canada are celebrating the critical role that water plays in our daily lives, contributing to the overall quality of life we enjoy in Canada.

In the 2017 federal budget, the Clean Water and Wastewater Fund (CWWF) was introduced to accelerate short-term municipal investments for the renewal of water and wastewater infrastructure to meet immediate priorities for clean water and healthier environments for communities.

Using a combination of CWWF, provincial, and municipal dollars, the City of Saskatoon is undertaking a large scale water and wastewater renewal program in 2017. The program is planned to include the replacement of approximately 900 lead water service lines, replace or re-line approximately 15km of water mains, and re-line approximately 22km of sewer mains.

The City will take this opportunity to educate residents about infrastructure renewal through an awareness campaign.

Water Week is dedicated to all of the people who work hard to keep the distribution and collection systems operating for Saskatoon residents.

Thank you for your support and consideration of our request.

Sincerely,

NOW I, \_\_\_\_\_,

Mayor of the City of \_\_\_\_\_.

DO HEREBY PROCLAIM the week of April 22-29, 2017 National Immunization Awareness Week.

\_\_\_\_\_  
Mayor

Celebrating over 30 years, almost 25,000 wishes granted and countless smiles.

To the City of Saskatoon City Council;

In March 2017, across Canada, The Children's Wish Foundation of Canada has chosen March to celebrate in a number of ways as Wish Month. The various activities and events throughout the month will honor current and past Wish children and their families, friends of the Foundation including donors, volunteers and various stakeholders who come together to grant wishes of hope and joy along with a lifetime of precious memories.

We will be hosting our annual Saskatoon Blades Wish Game on March 4, 2017 at Sasktel Centre. We have at least 150-200 people from our Saskatoon Wish community attend this game and watch our Wish Child Game Night ambassador drop the puck! As a result of the ongoing partnership with the Blades and Acklands Grainger there is a large exposure to our charity that evening for the Saskatoon community that joins us in cheering on the Blades.

On March 10, several Saskatoon businesses will participate in our annual Exile Island which is a corporate fundraising event that raises funds for a wish per team - that's a \$10,000 goal per team!

We would be more that excited if the City of Saskatoon could take the time to review our request and proclaim March 2017 as Wish Month in Saskatoon.

Sincerely,

Gay Anderson, Provincial Director
