Discretionary Use Application – Addition to Private School – 2228 Herman Avenue

Recommendation

That a report be submitted to City Council recommending that at the time of the public hearing, the application submitted by Bryan McCrea of 3twenty Modular, requesting permission for an addition to the private school located at 2228 Herman Avenue, be approved, subject to the following conditions:

1. That the applicant obtain a Development Permit and all other relevant permits and licenses (including a building permit and business license); and
2. That the final plans submitted be substantially in accordance with the final plans submitted in support of this Discretionary Use Application.

Topic and Purpose

The purpose of this report is to consider a Discretionary Use Application from Bryan McCrea of 3twenty Modular, on behalf of the Seventh Day Adventist Christian School, to construct an addition to the existing private school, at 2228 Herman Avenue.

Report Highlights

1. The proposed addition to the private school meets all applicable Zoning Bylaw No.8770 (Zoning Bylaw) regulations.
2. This proposal is not anticipated to have a significant impact on the surrounding land uses.

Strategic Goal

This application supports the City of Saskatoon's (City) Strategic Goal of Quality of Life as the proposal offers increased learning opportunities within a neighbourhood setting.

Background

The property located at 2228 Herman Avenue is in the Exhibition neighbourhood and is zoned RMTN – Townhouse Residential District under the Zoning Bylaw (see Attachment 1). The Seventh Day Adventist Christian School currently operating at this site is considered a private school in the RMTN District. Private schools are a discretionary use in the RMTN District.

An application has been submitted on behalf of the Seventh Day Adventist Christian School requesting City Council's approval to build an addition to the private school at this site.

Report

Zoning Bylaw Requirements

The Zoning Bylaw defines a private school as “a facility which meets Provincial requirements for elementary, secondary, post-secondary or other forms of education or training, and which does not secure the majority of its funding from taxation or any governmental agency, and may include vocational and commercial schools, music or dance schools and other similar schools.” The private school has a current capacity of 40 students and staff. The proposed modular portable addition to the school would accommodate an additional 20 students and necessary staff.

Six hard-surfaced parking spaces, including one barrier-free space, are required for the proposed addition. The parking requirement is based on the addition having an occupant load of 20 persons. The required parking spaces have been provided on the site as identified on the site plan (see Attachment 2).

Conclusion

The adjacent properties consist of multi-unit and one-unit dwellings. The proposed addition meets all applicable Zoning Bylaw regulations and is not anticipated to have any significant impact on the surrounding land uses.

No concerns were noted by other divisions that would preclude this application from proceeding (see Attachment 3).

Options to the Recommendation

City Council could choose to deny this Discretionary Use Application. This option is not recommended, as the proposal complies with all applicable Zoning Bylaw requirements and has been evaluated as a discretionary use, subject to the provisions in Section 4.7 of the Zoning Bylaw.

Public and/or Stakeholder Involvement

Notices to property owners within a 75 metre radius of the site, as well as the Exhibition/Queen Elizabeth/Haultain Community Association, were mailed out in July 2017 to solicit feedback on the proposal. To date, no concerns have been expressed. A communication engagement summary is included as Attachment 4.

Communication Plan

No further communication is planned beyond the stakeholder involvement noted above and the required notice for the public hearing.

Other Considerations/Implications

There are no policy, financial, environmental, privacy, or CPTED implications or considerations.

Due Date for Follow-up and/or Project Completion

No follow-up is required.

Public Notice

Public notice is required for consideration of this matter, pursuant to Section 11(b) of Public Notice Policy No. C01-021. Once this application has been considered by the Municipal Planning Commission, a date for a public hearing will be set. The Community Services Department will give notice of the public hearing date by mail, to assessed property owners within 75 metres of the subject site along with the Exhibition/Queen Elizabeth/Haultain Community Association. Notice boards will be placed on the subject site.

Department Comments for Discretionary Use Application – 2228 Herman Avenue

1. Transportation and Utilities Department

As per Storm Water Management Bylaw No. 8987, a storm connection will be required for this addition and parking lot since the building exceeds 300m². The run-off coefficient for this site is 0.3, therefore, any development of impervious area which makes the lot exceed this value would also result in a storm water connection. The City of Saskatoon driveway standard is required for the access on Herman Avenue.

Saskatoon Transit Services has reviewed the proposal and has no comments regarding the proposed discretionary use application.

2. Community Services Department

The Building Standards Division of the Community Services Department has no objection to the discretionary use application requesting approval for an addition to a Private School (Seventh Day Adventist School) in the Exhibition neighbourhood provided the open building permit (BP 2378/17) is closed without deficiencies for the new addition.

Please note that plans and documentation submitted in support of this application have not been reviewed for compliance with the requirements of the 2010 National Building Code of Canada.

Note: The applicant has been informed of, and agrees to, the above requirements.

ZONING AMENDMENT

 From R2 to R1B

N:\Planning\MAPPING\Rezoning\2017\VRZ04_17.dwg

Proposed Rezoning – From R2 to R1B – Brighton Boulevard, Dubois Crescent, and Dubois Link – Brighton Neighbourhood

Recommendation

That a copy of this report be forwarded to City Council recommending that at the time of the public hearing, City Council consider the Administration's recommendation that the proposed amendment to Zoning Bylaw No. 8770 to rezone land in the Brighton neighbourhood, as outlined in this report, be approved.

Topic and Purpose

An application has been submitted by Dream Development proposing to rezone land adjacent to Brighton Boulevard, Dubois Crescent, and Dubois Link in the Brighton neighbourhood, from R2 – One- and Two-Unit Residential District, to R1B – Small Lot One-Unit Residential District. The purpose of the rezoning is to provide for single-family residential lots with a minimum required front yard setback of 3.0 meters (9.84 feet).

Report Highlights

1. The proposed rezoning is consistent with the Brighton Neighbourhood Concept Plan (Concept Plan) and with Official Community Plan Bylaw No. 8769 (Official Community Plan).
2. No concerns were identified through the administrative referral process.

Strategic Goal

Under the City of Saskatoon's Strategic Goal of Sustainable Growth, this report supports the creation of complete communities that feature a mix of housing types, land uses, community amenities, employment opportunities, and internal and external connectivity.

Background

The Concept Plan was originally approved by City Council on May 20, 2014, with amendments to the Concept Plan approved on May 24, 2016 (see Attachment 1). On June 22, 2015, the subject area was rezoned, consistent with the concept plan, from FUD – Future Urban Development to R2 and remains undeveloped at the present time.

Report

Concept Plan and Official Community Plan

The proposed rezoning is consistent with the Concept Plan, which identifies the subject area for development as single-family or semi-detached residential.

The subject area is designated as Residential on the Official Community Plan Land Use Map, which supports a variety of residential zoning designations.

Proposed Rezoning – From R2 to R1B – Brighton Boulevard, Dubois Crescent, and Dubois Link – Brighton Neighbourhood

The rezoning will provide for single-family residential development and reduce the minimum required front yard setback from 6.0 metres (19.68 feet) under the existing R2 zoning, to 3.0 metres (9.84 feet) under the proposed R1B zoning. The developer has indicated the intent is to stagger the setbacks from 3.0 to 6.0 metres (9.84 feet to 19.68 feet) to provide variation in building setbacks. The adjacent parcels on Brighton Boulevard are zoned RMTN and R2, which have a minimum required front yard setback of 6.0 metres (19.68 feet).

No Concerns from Other Divisions

No concerns were identified through the administrative referral process that would preclude this application from proceeding to a public hearing at City Council.

Options to the Recommendation

City Council could choose to deny the proposed amendments; the existing R2 zoning would remain in place.

Public and/or Stakeholder Involvement

Brighton neighbourhood is in the early stages of development, and there is no established resident population or alternate landowners in the immediate area to consult. Further, this proposal is consistent with the approved Concept Plan, for which there was extensive public and stakeholder consultation.

Other Considerations/Implications

There are no policy, financial, environmental, privacy, or CPTED implications or considerations; a communication plan is not required at this time.

Due Date for Follow-up and/or Project Completion

Follow-up is not required.

Public Notice

Public notice is required for consideration of this matter, pursuant to Section 11(a) of Public Notice Policy No. C01-021. Once this application has been considered by the Municipal Planning Commission, it will be advertised, in accordance with Public Notice Policy No. C01-021, and a date for a public hearing will be set. A notice will be placed in The StarPhoenix two weeks prior to the public hearing.

Your Worship,
As Canadian Turks, we are proud of being citizens of this free and democratic country which stands out as one of the most successful examples of multiculturalism in the world. We appreciate the opportunities provided by the City of Regina to different ethnic communities including Canadian Turks.

We have a growing population of Canadian Turks in the Province of Saskatchewan and in the City of Saskatoon. For this reason, as Honorary Consul General of Turkey in Saskatchewan, I would respectfully wish to request an annual Proclamation to commemorate October 29th, Republic Day in Turkey.

As well, through appropriate channels, I will contact City Hall to arrange a flag raising ceremony to commemorate this important day. As October 29th falls on a weekend this year, the ceremony will occur on October 27th. Your Worship, I would certainly extend a personal invitation to you to join us when we raise the Turkish flag in Civic Square.

October 29th is truly an important day for Turkey which commemorates the founding of the modern Turkish Republic by Mustafa Kemal Atatürk in 1923. This event marked the end of the Ottoman Empire and started Turkey on the path to embark on a wide-ranging set of reforms in the political, economic and cultural aspects of Turkish society. These reforms have left a lasting legacy of which the peoples of Turkish heritage are proud: the conversion of the newly founded Republic into today's modern, democratic and secular Turkish state.

It would truly be meaningful to the community of Canadian Turks to have these special and important days recognized by their adopted community.

We would be happy to provide additional information should Your Worship deem it necessary.

Sincere regards,

Omer Al-Katib
Honourary Consul General of Turkey, Saskatchewan

The Salvation Army Community Ministries of Saskatoon would again like to request the honor of having The Salvation Army Flag raised at City Hall in the Civic Square for the duration of our Christmas Fundraising and Community Support Campaign. This year's Campaign runs from November 16, 2017 through December 23, 2017. As in the past, through our Christmas Hamper Program and Adopt a family coordination, The Salvation Army anticipates approximately 4000 households from within Saskatoon reaching out to us for support. We endeavor to share with these many children, families and households the joy and blessing of Christmas. To make this happen we look to the community for generous financial and volunteer support for our Christmas Kettle Campaign.

On Thursday, Nov 16, 2017 we will be kicking off our Christmas Kettle Campaign and we would very much like to rally the City of Saskatoon's support and acknowledgement of this worthy cause through the raising of The Salvation Army Flag. The Flag will serve as a reminder to give during the season to those who are less fortunate and exemplify the spirit of mercy and grace which the Christmas season represents.

I look forward to hearing from you and appreciate your consideration of this request. Should you have any questions or concerns please do not hesitate to contact me.

Sincerely,
Lt. Laurie Sauder
The Salvation Army Saskatoon
