Councillor Lorje requested a verbal update on the estimated costs to-date for the parking meter replacement program.

7.2 Councillor D. Hill - Enforcement for Pets Off-Lease

Councillor Hill raised a constituent's concern regarding receipt of tickets at the Sutherland Off-Leash park for her dogs off the leash as she was exiting her vehicle prior to being within the park. He asked if Animal Control Wardens have the option to exercise leniency when issuing tickets.

General Manager, Community Services Department Grauer indicated that each situation is unique and all bylaw enforcement personnel operate within a certain range of parameters. Generally there is some flexibility, recognizing that all situations are different.

Councillor Hill asked if the parking lots at the off-leash parks have adequate signage reminding people pets are to be leashed until within the boundaries of the park.

Mr. Grauer indicated this is possible and could include reminders in the on-going communications.

7.3 Councillor T. Davies - Street Sweeping - Churches and Sundays

Councillor Davies indicated that people received tickets outside of a church in Mount Royal due to street sweeping taking place, noting the schedule had changed a couple of times. He asked if it is possible to avoid scheduling sweeping on Sunday's around churches.
