Building Permit Statistical Request

Please describe in detail the information you would like to receive. If Building Standards is able to provide the information, you will be advised as to the cost. Before requesting the information please note the following reports are currently available.

Monthly Building Report – This report provides monthly totals of building permits issued and a summary of the value of construction for different types of building projects. It is available on the City of Saskatoon Web Site under Services for Residents/Building & Property Information.

Weekly Building Report – This report provides a detailed list of all permits issued listing the: type of construction, value of construction, site address, and contractor (Owner's names are not provided). It is available on a yearly subscription basis for \$147 (GST included). Complete this form and return to our office with your payment.

Other Requests for Statistical Information:

For Office Use Only:

Application reviewed and responded to on _____, 20 ____
