

# Building & Plumbing Inspection Requests

Requesting an Inspection is done through your e-permitting portal. Next day inspection requests are available if completed by 3 pm the previous day. No same day inspection requests are available.

Log into your e-permitting account

<https://lmspublic.saskatoon.ca/lms/pub/lmsguest/Welcome.aspx>

Click on My Activities and find the permit needing an inspection

## Home

Please click on one of the following options or refer to the bottom of this page to see your dashboard.

The "my inspections" tab will show your current inspections.

The "my activities" tab will show permits at all statuses.

The "my projects" tab will show projects that you create which can contain multiple permits. These same permits will be shown on the "my activities" tab.

The permit must have an Issued status to book an inspection. You will see the Book Inspection option appear in the far right column at this point. Click on Request Inspection.

	Homeowner Plumbing Permit	HPLMB-2026-00005	754 Hargreaves CRES, Saskatoon, SK	Issued	Homeowner Plumbing Permit - Residential (Plumbing - Addition/Alteration)	Jan 5, 2026	Jan 6, 2026	<a href="#">Request Inspection</a>
---	---------------------------	------------------	------------------------------------	--------	--	-------------	-------------	------------------------------------

**For Plumbing Permit inspections**, the person who has completed the work must be present for the inspection. Please fill out all required information including phone number, date of inspection request, AM/PM preference, any additional information (call to meet, door codes, etc) and click the appropriate inspection type at the bottom of the page.

You must complete all inspections in order. You will not be able to book the following inspection until the previous one has been given a Passed outcome.

*You must pick a type of inspection. Failing to pick the type of inspection, could lead to errors and delays in your inspection.*
