

ePermitting Submitting & Fee Payments

When you have completed all steps of your application in ePermitting, you will see the screen below. When you click Submit Application your application will go forward without paying any upfront fees (building and development permits). Plumbing permits still require an upfront application fee.

 **Commercial Building** COMM-2022-00106 (Draft)

SUBMIT APPLICATION

Your permit application is ready to be submitted. Please click the "Submit Application" button to submit your application. You may also click the "Save" button to return to this application at a later time.

Screen ID: 961482

Once you click Submit Application you will come to a confirmation screen. Please note your permit number.*

click here.'" data-bbox="89 556 572 660"/>

 **Commercial Building** COMM-2022-00106 (Submitted)

CONFIRMATION

Submission Successful.

Permit Number: COMM-2022-00106

To view the information and status for this Building Permit Application, [click here](#).

*Permit numbers are now in a different format than you may be familiar with. The new format is permit description-year-five digit number (i.e. COMM-2022-00106).

Once submitted, your permit will now show under the My Activities tab on your home page.
