evelopment happened in an organic way and in different stages, at different time periods. This meant that in Mayfairs beginnings in 920's, houses were sporatic and the lots in between were desolate and muddy.

Mayfair

Historically, on any given day the ice delivery, milk delivery and bread delivery paraded the streets.

Mayfair was known to be full of families and many blue collar workers. This was in contrast to Caswell Hill that was known for wealthier residents and artists.
