Election Signs

The **Community Standards Division** is responsible for regulating election signs on private property, as well as on public lands such as streets, parks, boulevards and buffer strips. The following information summarizes the most significant regulations for election signs. Please refer to *The Temporary Sign Bylaw*, *The Zoning Bylaw – Appendix A*, and *The Poster Bylaw* for a complete overview of all sign regulations.

What is an Election Sign?

An Election Sign is a temporary sign designed or intended to be displayed in connection with: a federal election or referendum; provincial election, or local government election. The purpose of the election sign regulations is to create a reasonable balance between communicating for election purposes, reducing sign clutter and keeping our streets safe.

Election Signs may be erected:

- 45 days prior to a local government election;
- In the case of a federal or provincial election, after an election writ has been issued;
- In the case of a referendum or plebiscite, after the relevant order, writ or direction has been issued.

Requirements for Election Signs

Election signs must conform to the following requirements:

- Must have no more than two sign faces;
- On permitted city boulevards, the total sign face area must be no larger than 0.6 square metres, and the sign must be self-supporting (must not be attached to any City property such as fences, bus shelters, trees, street light poles or traffic signal poles)
- On residential properties, the total sign face area must be no larger than 0.84 square metres;
- Must not be animated, illuminated, rotating, flashing or have moving lights or other electrical features;
- Must not have attachments such as balloons, kites, an electronic message centre or inflatable devices;
- Must not resemble traffic control devices;
- Must not be placed in such a way as to create a potential hazard to vehicular or pedestrian traffic and must not obstruct the view of any portion of a traffic control device or signal;
- Are not permitted on centre medians and traffic islands;
- On corner lots, election signs must not be located within 6.0 metres of the corner property lines;
- Must be removed within 7 days following the date of the election.
