5. Committee Member Updates – No updates from Committee Members
6. Station Design Discussion – Meeting participants discussed elements of station design at the Broadway Avenue and 12th Street Southbound location. Elements were laid out in real space to give an accurate depiction of scale/spacing.

Common themes in discussion:

- a. Consider the needs of businesses along the station and transit riders
- b. Consider visibility and sight lines (advertising panel)
- c. Consider scale (shelter, advertising panel and information display)
- d. Consider alterations to shelter to respect business acceptability
 - i. Do not lose rider accessibility
- e. Consider moving location of station north
- f. Consider consistency across stations.

BRT team will take these themes back for further study and consideration.

7. Next Steps and Closing

Next meeting will likely be early 2024 with meeting topics determined as project progresses.

Meeting adjourned at 12:00 p.m.
