- Community Facility (CF)
- Utility

The map displays the 8th Street BRT Corridor, highlighting the proposed transit route and station locations. The corridor is shown in a light blue line, with stations marked by blue circles. The map also shows the current Official Community Plan (OCP) and the proposed Corridor Growth Area (CGA). Land use designations are color-coded: CTV (dark blue), CSMU (dark red), CMU (red), CRES (light blue), PRK (green), CONA (dark green), CF (yellow), and Utility (grey). The map includes a grid of streets, with major roads like 8th Street and 14th Street clearly labeled. The legend provides a key to the symbols and colors used throughout the map.

 - Utility
- The map displays the 8th Street BRT Corridor, showing the alignment of the BRT lines (solid black lines) and the locations of stations (blue circles). The corridor runs horizontally across the map, with stations located at various points along the route. The map also shows the surrounding urban fabric, including residential streets, commercial areas, and parks. The legend indicates that the corridor is designated as a Corridor Transit Village (CTV) and includes areas for Station Mixed Use (CSMU), Corridor Mixed Use (CMU), and Corridor Residential (CRES). The map also shows the locations of various parks, conservation areas, and community facilities. The legend also includes a section for Land Use, which includes Corridor Transit Village (CTV), Station Mixed Use (CSMU), Corridor Mixed Use (CMU), Corridor Residential (CRES), Park (PRK), Conservation Area (CONA), Community Facility (CF), and Utility.
