Land Use (Commercial/Industrial)	1.1 Information Brochure	That the Community Services Department, City Planning Branch, develop an informational brochure containing the goals of the Airport Industrial Local Area Plan and information about desirable development standards as identified by the Airport Industrial Local Area Plan.	Completed	100 %	<p>The Airport Business Area representatives wanted to inform perspective area developers and local businesses with a guide to desirable esthetics and development practices in the area. The Planning and Development Branch will be distributing the City of Saskatoon Landscaping Guidelines Booklet in 2010.</p> <p>The Landscaping Guidebook has been updated and sent to all business owners within the ABA. In relation to the new cover, Paul W. has decided to shelve any changes for now, because a policy review will be done in 2011 requiring a number of changes to the publication. This will be addressed along with the new layout at that time. The Neighbourhood Planning Section will not fund a new redesign of the Guidebook at this time or in the future. The Zoning Compliance Section will need to fund the redesign in the future if they so choose.</p>
Land Use (Commercial/Industrial)	1.2 Encourage Airport to fully service lots adjacent to Airport Drive	That the Saskatoon Airport Authority be encouraged to promote fully serviced industrial and business park uses and tenants, with a significant degree of landscaping, along the flankages of Airport Drive.	Completed	100 %	<p>This recommendation was closed following the completion of the Saskatoon Airport Authority's land use plan, which indicates future serviced commercial areas on their property. Significant investment has been made along the east side of Airport Drive in Aero Green, which proves the viability of the business area. Development to the west of Airport Drive will continue when servicing capacity has been increased and sufficient demand exists.</p>
Land Use (Residential)	2.1 Land Use Policy Amendment for McNab Park	That City Council endorse the proposed land use changes identified in Figure 16, page 55, titled Airport Industrial Proposed Land Use Policy Map and incorporate them into the City of Saskatoon Development Plan, subject to further consultation with the property owners.	Completed	100 %	<p>The City of Saskatoon received the 'Aero Green Business Park Concept Plan' from Kindrachuk Agrey Architecture in early 2009. The Concept Plan includes roadway configuration, phasing and initial servicing information. It is intended to guide the redevelopment of the McNab Park lands.</p> <p>The Aero Green Business Park Concept Plan is expected to be presented at City Council for approval in late 2009. The Airport Industrial Land Use Policy Map will then be amended in the McNab Park area to accommodate the proposed business park.</p> <p>Subject to the appropriate approvals, the project will proceed in phases due to the limited capacity of the existing available site services.</p> <p>Proposed Official Community Plan Amendment from 'Transitional' to 'Business Park, along with the respective Zoning changes, was approved by City Council on November 8th, 2010</p>
Land Use (Residential)	2.2 Zoning changes for McNab Park	That City Council endorse the zoning changes shown on Figure 17, page 56 to reflect the change in policy outlined in 2.1, subject to further consultation with the property owners.	Completed	100 %	<p>Proposed rezoning from AG to R2(H) to IB, IB(H), IL1(H) was approved by City Council on November 8th, 2010, along with the respective Official Community Plan Amendment</p>
Transportation, Circulation & Parking	3.1 Monitor Traffic on key roadways - mitigate Hampton Village	That the Municipal Engineering Branch monitor traffic volumes on Airport Industrial Area roadways (Cynthia Street, Airport Drive, 45th Street, Circle Drive, Avenue C) before, during, and after construction of Hampton Village to mitigate negative impacts of development on the Airport Industrial Area.	Started	70 %	<p>Traffic monitoring is ongoing until full build out and occupancy of Hampton Village. Based on the concept plan, Hampton Village is approximately 91% built out as of November 2014.</p>
Transportation, Circulation & Parking	3.2 Present results of SGI intersection study to NSBA	That the Municipal Engineering Branch present the results of the SGI Intersection Study (Avenue C and Circle Drive) to the stakeholders of the Airport Industrial Area.	Completed	100 %	<p>Airport Business Area Stakeholders had concerns regarding the traffic at the Avenue C and Circle Drive intersection. SGI prepared a study of the intersection and resulted in the installation of a red light camera in the Fall 2005.</p>
