

SOUTH CASWELL
REDEVELOPMENT
PROJECT
SAFETY
WALKABOUT

The City of Saskatoon, in partnership with the Caswell Hill Community Association, invites you on a walkabout of the former Saskatoon Transit Facility to identify potential safety concerns and determine perceptions of safety of the area. Because you live, or work, nearby, you may have a unique view of this area which may help reduce the opportunity for crime to occur and improve the perception of safety in the area as it transitions to a future use.

March 2, 2017 - aodbt architecture (235 Avenue D N)
5:30 PM to 8:00 PM

This includes a daytime walkabout, a break, and a nighttime walkabout.

Please RSVP to lap@saskatoon.ca
