

Dog Park Ambassador Program

Objectives:

1. These groups will provide formal channels to engage the citizens of Saskatoon
2. Provide an effective vehicle to solicit insight on necessary changes and opportunities for improvement.
3. Provide a sense of ownership for the park and the activities that take place within.
4. Improving Animal Control awareness both at the park and in the surrounding neighbourhood.
5. Foster responsible pet ownership and to encourage bylaw compliance.

City's Role:

The City is committed to provide support to the Dog Park Ambassadors in the form of:

- Facilitate two review meetings per year for the Dog Park Ambassador Program.
- Facilitating communication as needed within the City's Divisions in regards to future and current needs of the Dog Park
- Assisting with the creation and distribution of marketing and education materials.
- Work with the Dog Park Ambassador's to create a development plan for the success of the program.

Dog Park Ambassadors Role:

The Dog Park Ambassadors are responsible for formalizing a plan for the ongoing education of participants and any additional maintenance above the minimum provided by the City.

The goal of the program is to have the Ambassadors take on a sense of ownership of the Dog Parks, and as community members are dedicated to protect the privilege of its use.

Subject to City review and approval, the Ambassadors are encouraged to seek new and creative ways of improving and promoting the Dog Parks.

It is expected that the Dog Park Ambassadors will send a representative to all Dog Park Ambassador Review Meetings hosted by the City, and are actively promoting the success of the program through their own planning and development.
