Seek

Recruit help and search for your pet. Call and whistle to your pet or carry an object that normally attracts your pet's attention like a toy or a can of treats that can be rattled.

Post a sign on your lawn with a picture of your pet so neighbours know he/she is missing and where to return him/her.

Place your dog's blanket or toys and your cat's litterbox outside. Familiar scents may attract your pet and lead him/her back home.

Shout it out!

Post a photograph and description of your pet on social media and share with friends, family and local lost pet groups.

Create a flyer with a photograph and description and post at local pet stores, on telephone poles, libraries and around your neighbourhood.

PETS IN PUBLIC SPACES

- Owners must clean up after their pets.
- Pets are **not** permitted in playgrounds, paddling pools, spray pads, cemeteries and the following parks:
 - Kinsmen Park
 - Kiwanis Memorial Park
 - Saskatoon Forestry Farm Park & Zoo
- To reduce the impact of irresponsible pet ownership, Animal Services has a 'zero tolerance policy' toward bylaw infractions including pets in prohibited areas, being-at-large and failure to clean up after pet.

As Saskatoon strives to become the most pet-friendly city in Canada, the City of Saskatoon Animal Services helps ensure that both pet owners and non-pet owners feel safe and welcome. Animal Services encompasses all aspects of pet ownership including pet licensing, off-leash Dog Parks, enforcement of animal control bylaws and pet specific events.

CITY OF SASKATOON DOG PARKS

Enjoy some off-leash time with your dog at one of the City of Saskatoon's 11 Dog Parks. Dog Parks are naturalized spaces where dogs are permitted to be off-leash while under the control of their owner. This allows both owner and dog to enjoy exercise together while socializing with others. A valid dog license is required to access any Dog Park. Unlicensed pets will be ticketed.

TIPS FOR RESPONSIBLE DOG OWNERS:

- Dogs must stay ON LEASH in all areas of the city unless clearly designated (signed) as an off-leash Dog Park.
- Be considerate and courteous to other people and children enjoying the outdoors and keep in mind that not everyone is comfortable around dogs, even friendly ones.

THE CITY OF SASKATOON ANIMAL CONTROL BYLAW REQUIRES:

- All dogs and cats (indoor and outdoor) over four months old require a valid license.
- Dogs and cats may not be at large.
- Owners must clean up after their pets.
