you.**

**JOIN OUR LEAGUE  
BY ATTENDING OUR  
SPRING MEETING**

## **Welcome to the Holiday Park Men's Section**

Please find attached some information to make your experience enjoyable as a member of the Holiday Park Men's Section.

### **Membership Dues**

The fee to join the Men's Section is \$45 for the season and is collected during the spring meeting in April/May each year. The executive will try to use all of the money collected for the benefit of the members that year; we try to limit the amount of money carried over. Fees go towards paying for the meals at the two meeting nights and on course weekly prizes.

### **League Season**

The season starts in May and ends at the beginning of October each year and we play Tuesday late afternoons. Tee times are reserved from 4:00 until around 5:30 depending on how many members we have.

You may enter the Men's section as a single or full group of four, whatever works for you.

You are not obligated to come out each week!!

We have two annual meetings, spring and fall. New ideas, changes and suggestions to improve our men's section will be discussed. Brian Gabrush (club pro) attends both meetings to update us about the course rules and requirements.

### **Green Fees**

Each member is responsible to pay for their own green fees; some members have an annual membership, some purchase 6 packs and some prefer to pay each week; the choice is yours.

The requirement is to golf a minimum of 9 holes each week. Cart rental is extra; some members have their own cart, some members rent a cart each week and many members prefer to walk; again the choice is yours. Within your booking you may have a combination of walkers and riders and this has not caused any concerns in the past.

### **Bookings**

All members are responsible to book their own tee time and this is done on Tuesdays for the following Tuesday. When you check in at the pro shop ask the attendant for the signup sheet and you can pick a time to play the following Tuesday.

You can book yourself or your group but please communicate with each other so that friends are not double booking. If you made a booking but cannot make it, please call the pro shop to cancel.

### **Executive for 2023**

President – Darren Acton [darren.acton@gmail.com](mailto:darren.acton@gmail.com)  
Treasurer – Kevin Karakochuk [kevin\\_karky@outlook.com](mailto:kevin_karky@outlook.com)
