

Tee Time Reservation Procedure

Advanced tee time reservations will be accepted ten (10) days in advance. Bookings will be accepted starting at 7:00 am from opening day until May 1. From May 1 until May 31 bookings will be accepted starting at 6:00 am. From June 1 to August 31 bookings will be accepted at 5:30 am. From September 1 until course closures bookings will be accepted at 7:00 am.

Advanced tee time reservations can be made either in person or by phone. Tee time reservations are limited to one booking per person or per phone call. Online bookings will be available in 2011 and will follow the same time parameters as in person or by phone. The date of the launch of the online booking system will be advertised.

Waiting List: Golfers without a tee time reservation, who are at the golf course and ready to golf may register with the golf shop to be placed on the daily waiting list. Playing group vacancies and cancellations will be filled from the waiting list on a first come, first serve basis. The golf shop has the right to fill any vacant spots.

Golf Course Closure: Should the golf course be closed for any reason, such as frost or flooding conditions, bookings for all tee time reservations during the closure period will be cancelled. Every effort will be made to get those players whose tee times were cancelled on the course. All scheduled tee time reservations will have priority.
