

**Red Cross Swim Preschool** is an eight-level program that allows your children, aged four months to five years, to enter levels based on their age and abilities. Each level is built around an aquatic animal theme and has its own mascot, which will make learning engaging and fun for young children.

**Red Cross Swim Kids** is a 10-level program for children ages six and up that will help swimmers develop all five swimming strokes (front and back crawl, elementary back stroke, breast stroke and sidestroke), actively learn how to be safe around the water and increase their fitness and endurance through fun activities. Children will be challenged to achieve personal best in distance and time, which will be a strong motivator through all 10 levels. Red Cross Swim Kids teaches more than swimming skills – it allows kids to strive for and reach their personal best.

**Red Cross Adult Swim Lessons** are designed to meet the needs of adults and adolescents. The lessons focus on basic swim skills as well as stroke and skill enhancement.
