

# How to Search Drop-in Program Schedules

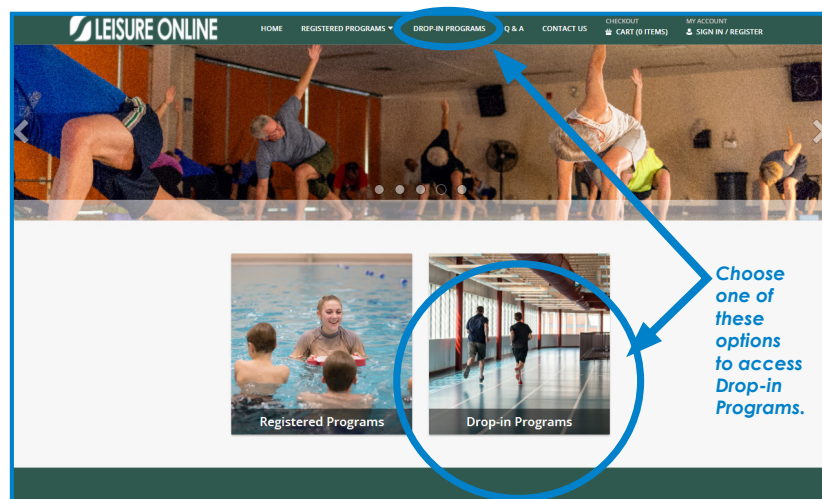

Search for drop-in program information including fitness and weight room hours, public swim sessions and fitness programs on Leisure Online at [saskatoon.ca/leisureonline](https://saskatoon.ca/leisureonline). An account is not required to view drop-in program schedules.

*NOTE: A reservation is required for select drop-in programs that have limited facility space or program equipment. You must be logged into your Leisure Online account to reserve a spot. To learn how to reserve a spot in a Drop-in program, view the 'How to Reserve a Drop-in Program' PDF.*

1 Go to [saskatoon.ca/leisureonline](https://saskatoon.ca/leisureonline).

2 Click on the *Drop-in Programs* link located in the green bar at the top of the screen or in the photo block in the bottom right corner.

*Note: Both links will take you to the same place.*

3 To get started select a date on the calendar. The drop-in programs schedule is available for a two-week period. Dates shaded in grey are not available to view.
