

Notice of overnight power outage: May 11-12, 2017

Saskatoon Light & Power is planning an overnight power outage in your area to perform necessary system maintenance at the Taylor Street Substation.

What you can expect from us:

- Power outage beginning at 11:30 p.m. on Thursday, May 11.
- Power service resuming at 5:30 a.m. on Friday, May 12.
- Power is expected to be restored on schedule however, if unexpected issues arise, customers can access updates as follows:
 - **Online:** saskatoon.ca > select Power Outages under Service Status menu
 - **Twitter:** follow [@YXEServiceAlert](https://twitter.com/YXEServiceAlert)
 - **Phone:** call **306-975-2621**

We recognize there is no convenient time to be without power service, however, this outage has been scheduled for overnight and during springtime in an effort to minimize the impact on customers.

If you have any questions or concerns please call 306-975-2414 (Monday to Friday, 8 a.m. to 5 p.m.) or the 24-hour trouble line at 306-975-2621.

Operations

Scheduled power outage tips

- Have flashlights with fresh batteries handy.
- If you have medical support equipment that is dependent on electricity, have a back-up plan to maintain the use of your equipment.
- Charge up cell phones and other electronic devices prior to the scheduled outage.
- Use a battery operated alarm clock or cell phone.
- Do not use barbecues, camping heating/cooking equipment, or standby generators indoors. Deadly carbon monoxide gas is produced by any device fueled by natural gas, propane, heating oil, kerosene, coal, charcoal, gasoline or wood.
- Consider unplugging computers, televisions, and other electronics before the outage. This equipment can be sensitive to surges when power service is restored.
- Ensure you know how to override or manually operate your garage doors.
- If the power service to your home or business is not restored on schedule, but you notice your neighbours' power has resumed, phone us at 306-975-2621.

Areas affected by service outage

- The neighbourhoods of Brevoort Park and Eastview, bounded by 7th Street to the north, Circle Drive to the east and south and Preston Avenue to the west will be affected by this power outage.
- This maintenance work will take place weather permitting and barring any unforeseen circumstances.
