

Be Prepared For Emergencies

notify now

You'll be better prepared to face a range of emergencies anytime, anywhere, when you:

Sign-up for notifynow and tell us your contact preferences; text, cell phone, landline, or email. Consider signing up your family members so notifynow can also reach them.

Make a plan for you, your family, and your pet too! Think about a meeting place, communication plan, main contact person and emergency numbers.

Put together an emergency kit and include basic supplies to be self-sufficient for at least 72 hours.

Watch, listen, or follow local media for updates.

notifynow is Timely.

In the event of a public safety event, notifynow will contact you with important information on what to do, where to go, and what to expect.

notifynow is Trusted.

When a public safety situation arises, Saskatoon's Emergency Management Organization (EMO) and trusted partners pull together to provide a coordinated response that includes sending notifynow public safety messages to the residents of Saskatoon. You can trust a message you receive from notifynow.

notifynow is Targeted.

notifynow is the City of Saskatoon's targeted mass notification system. If a public safety event happens city-wide or only affects a specific area, notifynow can contact thousands of residents within seconds with relevant, timely and trusted emergency information.

Gold-level sponsors:

How does notifynow work?

In the event of an impending or escalating public safety concern, notifynow will send out a message to subscribers. When you sign up, you have the option of receiving messages by:

 **SMS text message**

 **Voice call to a landline**

 **Voice call to a cell phone**

 **Email**

Choose one communication method or all of them; it's up to you.

Sign up to receive emergency notifications for up to five important locations such as your home, workplace, or your children's school or daycare. Encourage family members to register as well so they receive timely notifynow alerts during emergencies.

Remember: we can't reach you if your contact information is not up to date in the notifynow database.

NOTE: The information you provide is kept confidential and will not be used for any purpose other than to contact you in the event of an impending or escalating public safety concern.
