NOTE: TRAFFIC ACCOMMODATION DURING CONSTRUCTION WILL BE DETERMINED AT THAT TIME.

The map illustrates the proposed traffic accommodation plan and detours for Central Avenue, Lowe Road, and Range Road 3045. The legend defines the symbols used: a solid red line for the future neighborhood, a solid black line for the existing neighborhood, a dashed red line for the future arterial 2017, a solid black line for the existing road, a hatched area for road closure, a red hatched area for future road closure, a black arrow for current access, and a red arrow for future access. A note states: "NOTE: TRAFFIC ACCOMMODATION DURING CONSTRUCTION WILL BE DETERMINED AT THAT TIME." The map shows Central Avenue running vertically on the left, Lowe Road running vertically in the center, and Range Road 3045 running vertically on the right. Township Road 374 runs horizontally across the middle. Aggra Road runs horizontally at the bottom. Fedoruk Drive and McCormond Road are also shown. The map includes several "***NOTE" labels and arrows indicating current and future access and closures.
